

Blest Are We Chapter

Only 2 in 10 Americans under 30 believe attending a church is important or worthwhile. Well over half of young adults raised in the Church have dropped out with many having a strong anti-Church stance, many even believing the Church does more harm than good. Fr. Josh Johnson was one of these people. In *Broken and Blessed* he tackles the harsh realities facing the Church in the 21st century. With charity and courage he speaks to his own generation of Catholic "Millennials," who often feel their needs and concerns are not being addressed by the Church, or who simply do not believe the Catholic Faith has any relevance to their lives. Using his own experiences, both as a former struggling young Catholic and as a priest, Fr. Josh offers an inspiring witness of how he came to know God, rather than just knowing about him—and presents practical ways for us to truly know God as well. *Broken and Blessed: Addresses head-on Millennials' most pressing issues with the Catholic Faith* Presents powerful and inspiring stories from Fr. Josh's own faith journey Shows how one can truly encounter Jesus in a personal way Offers practical insights on how to overcome habitual sins Discusses the nature of prayer, as well as the challenges to prayer and how to overcome them

There are two ways of getting home; and one of them is to stay there. The other is to walk round the whole world till we come back to the same place; and I tried to trace such a journey in a story I once wrote. It is, however, a relief to turn from that topic to another story that I never wrote.

This moving biography of Pier Giorgio Frassati, who turned from a life of privilege to one devoted to working with the poor, and who died at the age of 24 from the polio virus, presents a portrait of a man whose love of God transformed his life and the lives of those around him. Inspired as a young man by Pier Giorgio, Pope John Paul II recently approved beatification for Pier Giorgio. From the author of the bestselling *Anam Cara* comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O'Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today. In *To Bless the Space Between Us*, his compelling blend of elegant, poetic language and spiritual insight offers readers comfort and encouragement on their journeys through life. O'Donohue looks at life's thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory. Most profoundly, however, O'Donohue explains “blessing” as a way of life, as a lens through which the whole world is transformed. O'Donohue awakens readers to timeless truths and shows the power they have to answer contemporary dilemmas and ease us through periods of change.

In a world fractured by dividing lines of politics, economics, gender, and race, we are hungry for connection and community, for places where we are loved and accepted in all our frailty. Tubby has a broken heart. Lenore needs something to sing about. Eugenia is afraid of change. Bruce still fights the war in Iraq. Through it all, Pastor Bob, with the help of the Holy Spirit, tends the flock entrusted to his care. These twenty-four interwoven fables of faith, set in the Adirondacks, use abundant love, gentle humor, and the timeless truth of Scripture to portray what it means to be a church family. Blest be the tie that binds.

The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his

words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the “doctrine of life and salvation for all the honest-in-heart” (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened “within them a desire to know and understand the things of God more than they ever did before in their lives” and will begin to “inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—“Teachings of Brigham Young” and “Suggestions for Study.” The first section consists of extracts from Brigham Young’s sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young’s teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young’s teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the “Lion of the Lord” (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

Book 2 in the Faith Sharing series focuses on the call to family, community, and participation as a theme of Catholic social teaching.

Intriguing and controversial, this visionary text professes to tell the complete story of Jesus' life, including the "lost" years of travel and study in Tibet, Egypt, India, Persia, and Greece.

THE following Treatise presents, at first sight, considerable difficulties. They do not arise from any defect in the Saint's mode of expression, but are inherent in his subject and manner of treatment, “going deep down into the roots” of the Love of God. Thus he speaks in his

Preface, and continues: "The first four books, and some chapters of the others might doubtless have been omitted without disadvantage to such souls as seek only the practice of holy love. . . . I have been forced to say many things which will appear more obscure than they are. The depths of science are always somewhat hard to sound." But he tells us that the state of the minds of his age required this deeper treatment; and whatever may be thought as to the best way of presenting modern religious teaching to an age so ignorant, so shallow and so unthinking as is our own with regard to spiritual truths, there can be no question that this masterpiece of the chief doctor of ascetic theology must not be brought down to our level, but that we must raise ourselves towards it. Adam Bede, the first novel written by George Eliot (the pen name of Mary Ann Evans), was published in 1859. It was published pseudonymously, even though Evans was a well-published and highly respected scholar of her time. The novel has remained in print ever since and is regularly used in university studies of 19th-century English literature
