

Diary Ng Panget 4 Haveyouseenthisgirl

They got married ten days ago. They haven't had sex yet and they don't intend to. As it turned out, the only way to make their parents get off their backs about trying to "find someone" was actually finding someone--with whom to put marriage for show. Mutsuki is strictly gay and has a boyfriend, while Shoko is a clinical case of emotional instability who's in no shape for a relationship. They've each found in the other a perfect partner for a sham marriage. Since the conspirators' parents know of their own child's undesirability, but not the spouse's, the union manages to please them. And while the newlyweds hope, in their own way, to live happily ever after, they inevitably come face to face with the fact that no marriage real or staged, is a fairy tale. This book is not about the urban explorer, it's about the places they explore. This is about the unusual, the forgotten, and the unknown - sometimes, the smallest flash of beauty in an otherwise banal or decayed setting. Places and human history are inextricably linked. The humans are never far away from these pages; they are hovering just out of sight. They are all here though, their presence haunting every photograph. The people, in reality, have moved on. These fragments remain, decaying scenes from the theatres in which their lives played out, their work, their suffering, and their joy. You cannot capture that with a camera, only with your imagination can you breathe a kind of life back into these otherworldly scenes. That makes you the explorer...

This harrowing mystery, winner of the Philippine National Book Award, follows two Catholic priests on the hunt through Manila for a brutal serial killer Payatas, a 50-acre dump northeast of Manila's Quezon City, is home to thousands of people who live off of what they can scavenge there. It is one of the poorest neighborhoods in a city whose law enforcement is already stretched thin, devoid of forensic resources and rife with corruption. So when the eviscerated bodies of preteen boys begin to appear in the dump heaps, there is no one to seek justice on their behalf. In the rainy summer of 1997, two Jesuit priests take the matter of protecting their flock into their own hands. Father Gus Saenz is a respected forensic anthropologist, one of the few in the Philippines, and has been tapped by the Director of the National Bureau of Investigations as a backup for police efforts. Together with his protégé, Father Jerome Lucero, a psychologist, Saenz dedicates himself to tracking down the monster preying on these impoverished boys. *Smaller and Smaller Circles*, widely regarded as the first Filipino crime novel, is a poetic masterpiece of literary noir, a sensitive depiction of a time and place, and a fascinating story about the Catholic Church and its place in its devotees' lives.

2022 Diary, January - December

"My mother never writes. So when the mail arrived that day, I was not expecting to find a letter from her. There was no warning." Between generations of women, there are always secrets--relationships kept hidden, past events obscured, true feelings not spoken. But sometimes the truth is so primal it must be told. Now, with haunting lyricism and emotional clarity, Arlene Chai has written an exquisite novel about a family of women who break their silence. At the center of *The Last Time I Saw Mother* is the singular story of a woman who suddenly learns she is not who she thinks she is. Caridad is a wife and mother, a native of the Philippines living in Sydney, Australia. Out of the blue Caridad's mother summons her home. Although she is not ill, Thelma needs to talk to her daughter -- to reveal a secret that has been weighing heavily on her for years. It is a tale that Caridad in no way suspects. She stopped asking questions about the past long ago; her mother's constant reluctance to answer finally subdued her curiosity. Now, it is through the words of Thelma, her aunt Emma, and her cousin Ligaya, that Caridad will learn the startling truth and attempt to recapture what has been lost to her. Arlene Chai tells their versions of the story in their own voices, each one distinct, moving, and magical. As each woman tells her part of their family's hidden history, Caridad hears at last the unspoken stories--the joys and sorrows that her parents kept to themselves, and the never forgotten tragedy of the war years, when Japan's brutal occupation and civilian deprivations helped destroy a country and its history. *The Last Time I Saw Mother* is about mothers and daughters. It is about a cultural identity born of Spanish, Chinese, and Filipino influence. And it is about the healing power of truth. Arlene Chai is one of the most stunning new novelists in years. She takes us to a place we have never been before.
