This is the book that led to Hans Fallada's downfall with the Nazis. The story of a young couple struggling to survive the German economic collapse was a worldwide sensation and was made into an acclaimed Hollywood movie produced by Jews, leading Hitler to ban Fallada's work from being translated. Nonetheless, it remains, as The Times Literary Supplement notes, "the novel of a time in which public and private merged even for those who wanted to stay at home and mind their own business." *** This is a Hybrid Book. Melville House HybridBooks combine print and digital media into an enhanced reading experience by including with each title additional curated material called Illuminations — maps, photographs, illustrations, and further writing about the author and the book. For sixty years Jewish refugees and their descendants have prospered in the Federal District of Sitka, a "temporary" safe haven created in the wake of the Holocaust and the shocking 1948 collapse of the

fledgling state of Israel. The Jews of the Sitka District have created their own little world in the Alaskan panhandle, a vibrant and complex frontier city that moves to the music of Yiddish. But now the District is set to revert to Alaskan control, and their dream is coming to an end. Homicide detective Meyer Landsman of the District Police has enough problems without worrying about the upcoming Reversion. His life is a shambles, his marriage a wreck, his career a disaster. And in the cheap hotel where Landsman has washed up, someone has just committed a murder—right under his nose. When he begins to investigate the killing of his neighbor, a former chess prodigy, word comes down from on high that the case is to be dropped immediately, and Landsman finds himself contending with all the powerful forces of faith, obsession, evil, and salvation that are his heritage. At once a gripping whodunit, a love story, and an exploration of the mysteries of exile and redemption, *The Yiddish Policemen's Union* is a novel only Michael Chabon could have written.

In this Hugo Award–winning alternative history classic—the basis for the Amazon Original series—the United States lost World War II and was subsequently divided between the Germans in the East and the Japanese in the West. It's America in 1962. Slavery is legal once again. The few Jews who still survive hide under assumed names. In this world, we meet characters like Frank Frink, a dealer of counterfeit Americana who is himself hiding his Jewish ancestry; Nobusuke Tagomi, the Japanese trade minister in San Francisco, unsure of his standing within the bureaucracy and Japan's with Germany; and Juliana Frink, Frank's ex-wife, who may be more important than she realizes. These seemingly disparate characters gradually realize their connections to each other just as they realize that something is not quite right about their world. And it seems as though the answers might lie with Hawthorne Abendsen, a mysterious and reclusive author, whose best-selling novel describes a world in which the US won the War... *The Man in the High Castle* is Dick at his best, giving readers a harrowing vision of the world that almost was. "The single most resonant and carefully imagined book of Dick's career." —New York Times

In October 1914, Hugo Rosenthal, a Jewish German soldier fighting on the Eastern Front, failed to return to the trenches after a military skirmish near Warsaw and was presumed to have been taken prisoner by the Russians. For the next year, Hugo's family and friends mounted a massive effort to find his whereabouts and bring him home through a prisoner exchange program. They sent hundreds of letters to people as diverse as prisoners in Siberia to the king of Spain. They even recruited a Russian acquaintance to buy the POW's freedom, but Hugo wasn't where he was supposed to be. This suspenseful search for my grandfather is brought back to life through original letters, with their images, German transcriptions, and English translations included. The story culminates in a shocking surprise revelation that had been hidden for almost a century.

NEW YORK TIMES BESTSELLER "If you're

Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn’s luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the ‘80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn’s story near its conclusion, it becomes clear

that her life intersects with Monique's own in tragic and irreversible ways. "Heartbreaking, yet beautiful" (Jamie Blynn, *Us Weekly*), *The Seven Husbands of Evelyn Hugo* is "Tinseltown drama at its finest" (Redbook): a mesmerizing journey through the splendor of old Hollywood into the harsh realities of the present day as two women struggle with what it means—and what it costs—to face the truth.

In this remarkable book, Hugo Hamilton tells the story of individuals caught up in the turbulent last days of World War II.

Moving away from the explicitly political content of his previous novels, Victor Hugo turns to social commentary in *The Man Who Laughs*, an 1869 work that was made into a popular film in the 1920s. The plot deals with a band of miscreants who deliberately deform children to make them more effective beggars, as well as the long-lasting emotional and social damage that this abhorrent practice inflicts upon its victims.

Hugo Marcus (1880–1966) was a man of many names and many identities. Born a German Jew, he converted to Islam and took the name Hamid, becoming one of the most prominent Muslims in Germany prior to World War II. He was renamed Israel by the Nazis and sent to the Sachsenhausen concentration camp before escaping to Switzerland. He was a gay man who never called himself gay but fought for homosexual rights and wrote queer fiction under the pen name Hans Alienus during his decades of exile. In *German, Jew, Muslim, Gay*, Marc David Baer uses Marcus's life and work to shed new light on a striking range of subjects, including German Jewish history and anti-Semitism, Islam in Europe, Muslim-Jewish relations, and the history of the gay

rights struggle. Baer explores how Marcus created a unique synthesis of German, gay, and Muslim identity that positioned Johann Wolfgang von Goethe as an intellectual and spiritual model. Marcus's life offers a new perspective on sexuality and on competing conceptions of gay identity in the multilayered world of interwar and postwar Europe. His unconventional story reveals new aspects of the interconnected histories of Jewish and Muslim individuals and communities, including Muslim responses to Nazism and Muslim experiences of the Holocaust. An intellectual biography of an exceptional yet little-known figure, German, Jew, Muslim, Gay illuminates the complexities of twentieth-century Europe's religious, sexual, and cultural politics. In his Faulknerian novels, Hugo Claus mixes expertly crafted stories of postwar Flanders with poignant psychological portraits rich in mythological and literary allusion. In *Wonder*, a landmark of Flemish literature, Claus mixes the souls of a handful of displaced and desperate individuals with the backdrop of Flanders and visions of the Polish and Russian fronts of WWII. The dense emotional texture of the characters entangled in complex moral labyrinths combined with a deep feeling for Flemish history make the novel a symphony that only Hugo Claus could have composed.

The Hunchback of Notre Dame (French: Notre-

Dame de Paris) is an 1831 French novel written by Victor Hugo. It is set in 1482 in Paris, in and around the cathedral of Notre Dame de Paris. The book tells the story of a poor barefoot Gypsy girl (La Esmeralda) and a misshapen bell-ringer (Quasimodo) who was raised by the Archdeacon (Claude Frollo). The book was written as a statement to preserve the Notre Dame cathedral and not to 'modernize' it, as Hugo was thoroughly against this. The story begins during the Renaissance in 1482, the day of the Festival of Fools in Paris. Quasimodo, the deformed bell ringer, is introduced by his crowning as Pope of Fools. Esméralda, a beautiful 16-year-old gypsy with a kind and generous heart, captures the hearts of many men but especially Quasimodo's adopted father, Claude Frollo. Frollo is torn between his lust and the rules of the church. He orders Quasimodo to get her. Quasimodo is caught and whipped and ordered to be tied down in the heat. Esméralda seeing his thirst, offers him water. It saves her, for she captures the heart of the hunchback.
