

Lincoln The Unknown

Lincoln the Unknown is a biography of Abraham Lincoln, written by Dale Carnegie and given out as a prize in the Dale Carnegie Course. The book offers an inspiring glimpse into Lincoln's legendary life: The hardships of his early years, the difficulties of his White House days, his tragicomic marriage, and the war with the South. Abraham Lincoln, a farm boy, becomes the President of the United States. He travels miles to borrow books; reading being the dominant passion of his for quarter of a century. Lincoln The Unknown By Dale Carnegie Actually, book is really a home window to the world. Also many people might not appreciate reviewing publications; the books will certainly always offer the exact info about reality, fiction, encounter, journey, politic, faith, as well as a lot more. We are below a site that provides collections of books more than guide store.

"First printing." Bibliography: p. 303-305.

The murder of Abraham Lincoln set off the greatest manhunt in American history -- the pursuit and capture of John Wilkes Booth. From April 14 to April 26, 1865, the assassin led Union cavalry and detectives on a wild twelve-day chase through the streets of Washington, D.C., across the swamps of Maryland, and into the forests of Virginia, while the nation, still reeling from the just-ended Civil War, watched in horror and sadness. At the very center of this story is John Wilkes Booth, America's notorious villain. A Confederate sympathizer and a member of a celebrated acting family, Booth threw away his fame and wealth for a chance to avenge the South's defeat. For almost two weeks, he confounded the manhunters, slipping away from their every move and denying them the justice they sought. Based on rare archival materials,

Read PDF Lincoln The Unknown

obscure trial transcripts, and Lincoln's own blood relics, Manhunt is a fully documented work, but it is also a fascinating tale of murder, intrigue, and betrayal. A gripping hour-by-hour account told through the eyes of the hunted and the hunters, this is history as you've never read it before.

In this book, political theorist Steve Johnston explores Lincoln's thought and political philosophy, but also his intentional and shrewdly calculated ambiguity – enabling him to be maximally politically effective in the face of unprecedented challenges.

When a schoolgirl gets separated from her tour of the White House and finds herself in the Lincoln bedroom, she also discovers the ghost of the great man himself.

Although he was Abraham and Mary Lincoln's oldest and last surviving son, the details of Robert T. Lincoln's life are misunderstood by some and unknown to many others. Nearly half a century after the last biography about Abraham Lincoln's son was published, historian and author Jason Emerson illuminates the life of this remarkable man and his achievements in *Giant in the Shadows: The Life of Robert T. Lincoln*. Emerson, after nearly ten years of research, draws upon previously unavailable materials to offer the first truly definitive biography of the famous lawyer, businessman, and statesman who, much more than merely the son of America's most famous president, made his own indelible mark on one of the most progressive and dynamic eras in United States history. Born in a boardinghouse but passing his last days at ease on a lavish country estate, Robert Lincoln played many roles during his lifetime. As a president's son, a Union soldier, an ambassador to Great Britain, and a U.S. secretary of war, Lincoln was indisputably a titan of his age. Much like his father, he became one of the nation's most respected and influential men, building a successful law practice in

the city of Chicago, serving shrewdly as president of the Pullman Car Company, and at one time even being considered as a candidate for the U.S. presidency. Along the way he bore witness to some of the most dramatic moments in America's history, including Robert E. Lee's surrender at Appomattox Courthouse; the advent of the railroad, telephone, electrical, and automobile industries; the circumstances surrounding the assassinations of three presidents of the United States; and the momentous presidential election of 1912. *Giant in the Shadows* also reveals Robert T. Lincoln's complex relationships with his famous parents and includes previously unpublished insights into their personalities. Emerson reveals new details about Robert's role as his father's confidant during the brutal years of the Civil War and his reaction to his father's murder; his prosecution of the thieves who attempted to steal his father's body in 1876 and the extraordinary measures he took to ensure it would never happen again; as well as details about the painful decision to have his mother committed to a mental facility. In addition Emerson explores the relationship between Robert and his children, and exposes the actual story of his stewardship of the Lincoln legacy—including what he and his wife really destroyed and what was preserved. Emerson also delves into the true reason Robert is not buried in the Lincoln tomb in Springfield but instead was interred at Arlington National Cemetery. Meticulously researched, full of never-before-seen photographs and new insight into historical events, *Giant in the Shadows* is the missing chapter of the Lincoln family story. Emerson's riveting work is more than simply a biography; it is a tale of American achievement in the Gilded Age and the endurance of the Lincoln legacy. Univeristy Press Books for Public and Secondary Schools 2013 edition Book of the Year by the Illinois State historical Society, 2013

Read PDF Lincoln The Unknown

The first of a three-volume history of Lincoln as a political genius—from his obscure beginnings to his presidency, assassination, and the overthrow of his post-Civil War dreams of Reconstruction. This first volume traces Lincoln from his painful youth, describing himself as “a slave,” to his emergence as the man we recognize as Abraham Lincoln. From his youth as a “newsboy,” a voracious newspaper reader, Lincoln became a free thinker, reading Tom Paine, as well as Shakespeare and the Bible, and studying Euclid to sharpen his arguments as a lawyer. Lincoln's anti-slavery thinking began in his childhood amidst the Primitive Baptist antislavery dissidents in backwoods Kentucky and Indiana, the roots of his repudiation of Southern Christian pro-slavery theology. Intensely ambitious, he held political aspirations from his earliest years. Obsessed with Stephen Douglas, his political rival, he battled him for decades. Successful as a circuit lawyer, Lincoln built his team of loyalists. Blumenthal reveals how Douglas and Jefferson Davis acting together made possible Lincoln's rise. Blumenthal describes a socially awkward suitor who had a nervous breakdown over his inability to deal with the opposite sex. His marriage to the upper class Mary Todd was crucial to his social aspirations and his political career. Blumenthal portrays Mary as an asset to her husband, a rare woman of her day with strong political opinions. He discloses the impact on Lincoln's anti-slavery convictions when handling his wife's legal case to recover her father's fortune in which he discovered her cousin was a slave. Blumenthal's robust portrayal is based on prodigious research of Lincoln's record and of the period and its main players. It reflects both Lincoln's time and the struggle that consumes our own political debate.

In the present book, *How to Win Friends and Influence People*, Dale Carnegie

Read PDF Lincoln The Unknown

says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel that the idea is his or hers" and "talk about your own mistakes before criticizing the other person." This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. Twelve Ways to Win People to Your Way of Thinking

1. The only way to get the best of an argument is to avoid it.
2. Show respect for the other person's opinions. Never say "You're wrong."
3. If you're wrong, admit it quickly and emphatically.
4. Begin in a friendly way.
5. Start with questions to which the other person will answer yes.
6. Let the other person do a great deal of the talking.
7. Let the other person feel the idea is his or hers.
8. Try honestly to see things from the other person's point of view.
9. Be sympathetic with the other person's ideas and desires.
10. Appeal to the nobler motives.
11. Dramatize your ideas.
12. Throw down a challenge.

This book consists of 48 short biographies. Included are Joan Crawford, Lionel Barrymore, The Mayo Brothers, Jack London, Theodore Roosevelt, and many more.

Columbus, and more...

The power of words has rarely been given a more compelling demonstration than in the Gettysburg Address. Lincoln was asked to memorialize the gruesome battle. Instead, he gave the whole nation "a new birth of freedom" in the space of a mere 272 words. His entire life and previous training, and his deep political experience went into this, his revolutionary masterpiece. By examining both the address and Lincoln in their historical moment and cultural frame, Wills breathes new life into words we thought we knew, and reveals much about a president so mythologized but often misunderstood. Wills shows how Lincoln came to change the world and to effect an intellectual revolution, how his words had to and did complete the work of the guns, and how Lincoln wove a spell that has not yet been broken.

From the author of *Lincoln: A Photobiography*, comes a clear-sighted, carefully researched account of two surprisingly parallel lives and how they intersected at a critical moment in U.S. history. Abraham Lincoln and Frederick Douglass were both self-taught, both great readers and believers in the importance of literacy, both men born poor who by their own efforts reached positions of power and prominence—Lincoln as president of the United States and Douglass as the most famous and influential African American of his time. Though their meetings were

few and brief, their exchange of ideas helped to end the Civil War, reunite the nation, and abolish slavery. Includes bibliography, source notes, and index. One of the Wall Street Journal's Ten Best Books of the Year | A Washington Post Notable Book | A Christian Science Monitor and Kirkus Reviews Best Book of 2020 Winner of the Gilder Lehrman Abraham Lincoln Prize and the Abraham Lincoln Institute Book Award "A marvelous cultural biography that captures Lincoln in all his historical fullness. . . . using popular culture in this way, to fill out the context surrounding Lincoln, is what makes Mr. Reynolds's biography so different and so compelling . . . Where did the sympathy and compassion expressed in [Lincoln's] Second Inaugural—"With malice toward none; with charity for all"—come from? This big, wonderful book provides the richest cultural context to explain that, and everything else, about Lincoln." —Gordon Wood, Wall Street Journal From one of the great historians of nineteenth-century America, a revelatory and enthralling new biography of Lincoln, many years in the making, that brings him to life within his turbulent age David S. Reynolds, author of the Bancroft Prize-winning cultural biography of Walt Whitman and many other iconic works of nineteenth century American history, understands the currents in which Abraham Lincoln swam as well as anyone alive. His magisterial biography Abe is the product of full-body immersion into the riotous tumult of American life in the

Read PDF Lincoln The Unknown

decades before the Civil War. It was a country growing up and being pulled apart at the same time, with a democratic popular culture that reflected the country's contradictions. Lincoln's lineage was considered auspicious by Emerson, Whitman, and others who prophesied that a new man from the West would emerge to balance North and South. From New England Puritan stock on his father's side and Virginia Cavalier gentry on his mother's, Lincoln was linked by blood to the central conflict of the age. And an enduring theme of his life, Reynolds shows, was his genius for striking a balance between opposing forces. Lacking formal schooling but with an unquenchable thirst for self-improvement, Lincoln had a talent for wrestling and bawdy jokes that made him popular with his peers, even as his appetite for poetry and prodigious gifts for memorization set him apart from them through his childhood, his years as a lawyer, and his entrance into politics. No one can transcend the limitations of their time, and Lincoln was no exception. But what emerges from Reynolds's masterful reckoning is a man who at each stage in his life managed to arrive at a broader view of things than all but his most enlightened peers. As a politician, he moved too slowly for some and too swiftly for many, but he always pushed toward justice while keeping the whole nation in mind. Abe culminates, of course, in the Civil War, the defining test of Lincoln and his beloved country. Reynolds shows us the

Read PDF Lincoln The Unknown

extraordinary range of cultural knowledge Lincoln drew from as he shaped a vision of true union, transforming, in Martin Luther King Jr.'s words, "the jangling discords of our nation into a beautiful symphony of brotherhood." Abraham Lincoln did not come out of nowhere. But if he was shaped by his times, he also managed at his life's fateful hour to shape them to an extent few could have foreseen. Ultimately, this is the great drama that astonishes us still, and that Abe brings to fresh and vivid life. The measure of that life will always be part of our American education.

A true crime thriller -- the first book for teens to tell the nearly unknown tale of the brazen attempt to steal Abraham Lincoln's body! The action begins in October of 1875, as Secret Service agents raid the Fulton, Illinois, workshop of master counterfeiter Ben Boyd. Soon after Boyd is hauled off to prison, members of his counterfeiting ring gather in the back room of a smoky Chicago saloon to discuss how to spring their ringleader. Their plan: grab Lincoln's body from its Springfield tomb, stash it in the sand dunes near Lake Michigan, and demand, as a ransom, the release of Ben Boyd --and \$200,000 in cash. From here, the action alternates between the conspirators, the Secret Service agents on their trail, and the undercover agent moving back and forth between the two groups. Along the way readers get glimpses into the inner workings of counterfeiting, grave robbing, detective work, and the early days of the Secret Service.

The plot moves toward a wild climax as robbers and lawmen converge at Lincoln's tomb on election night: November 7, 1876.

A complete documentary archive of Abraham Lincoln's writings, from historic speeches to personal letters and telegrams. Collected here are numerous documents written by Abraham Lincoln from 1832 to 1865, over the course of his long career as a lawyer, statesman, and president of the United States. From the man who led the nation through the Civil War and into its Reconstruction, Lincoln's written statements—including the Emancipation Proclamation and the Gettysburg Address—are some of the most significant documents in American history. Included with these works are telegrams to politicians and wartime generals as well as personal letters discussing a range of topics, from youth and marriage to depression. This extensive collection is not only an excellent documentary history of America's greatest trial as a nation, but also an opportunity to enjoy the intellect and wit of one of America's greatest orators. As Theodore Roosevelt says in his introductory comments, "Lincoln's deeds and words are not only of consuming interest to the historian, but should be intimately known to every man engaged in the hard practical work of American political life." This ebook has been professionally proofread to ensure accuracy and readability on all devices.

"In his introduction to *The Life of Abraham Lincoln*, Henry Ketcham notes that there has been so much written about Lincoln that the legend has begun to obscure, if not to

efface, the man. In this biography the single purpose has been to present the living man with such distinctness of outline that the reader may have a sort of feeling of being acquainted with him. Ketcham's clearly-written, unadorned account of Lincoln's life achieves its stated purpose, never removing its focus from the man who became the 16th President of the United States and led the nation through some of its most turbulent and difficult times."--Amazon.com

WINNER OF THE LINCOLN FORUM BOOK PRIZE “A Lincoln classic...superb.” —The Washington Post “A book for our time.”—Doris Kearns Goodwin Lincoln on the Verge tells the dramatic story of America’s greatest president discovering his own strength to save the Republic. As a divided nation plunges into the deepest crisis in its history, Abraham Lincoln boards a train for Washington and his inauguration—an inauguration Southerners have vowed to prevent. Lincoln on the Verge charts these pivotal thirteen days of travel, as Lincoln discovers his power, speaks directly to the public, and sees his country up close. Drawing on new research, this riveting account reveals the president-elect as a work in progress, showing him on the verge of greatness, as he foils an assassination attempt, forges an unbreakable bond with the American people, and overcomes formidable obstacles in order to take his oath of office.

Few politicians have fascinated the American people as much as Abraham Lincoln. The 1990s witnessed heightened interest in the sixteenth president and a flood of books about him that continues to the present. A recent tally indicates that at least 14,000

Read PDF Lincoln The Unknown

books and pamphlets have been written about him. The last guide to the best Lincoln books was produced in 1946. Since then several thousand more titles have been published. As a result, anyone interested in reading about him faces a daunting task in seeking out the books that offer the keenest insights into the man and the legend and lore that surround him. Michael Burkhimer's "100 Essential Lincoln Books offers a guide to this vast body of Lincoln literature. He chooses books that are indispensable for both book collectors and readers intent on learning more about Lincoln. The importance of each work is outlined with an emphasis on how it has contributed to Lincoln studies. Burkhimer's criteria for selection are based on the book's originality, sources, interpretations, writing style, and overall contribution. Titles are arranged chronologically in order of their first publication, ranging from 1866 (Francis B. Carpenter's "Six Months at the White House with Abraham Lincoln) to 2002 (William Lee Miller's "Lincoln's Virtues). The recent resurgence of interest in Lincoln is reflected in that almost one-third of the books described here have appeared since 1990. To further aid the curious Lincoln reader, each title is classified under a general heading, such as assassination, biography, family and genealogy, and reminiscences. Indexes of authors and headings are also included.

A page-turning novel about the brilliant, melancholic future president and the two people who knew him best: his handsome and charming confidant (and roommate), Joshua Speed, and the spirited young debutante Mary Todd. A Washington Post

Bestseller A May Indie Next Pick An Apple Books Best of the Month for April A People Magazine Best Book of the Week “Exquisite.” —People “A triumph of a novel.” —Bookreporter.com “Rich, fascinating, and romantic.” —Newsday When Mary Todd meets Abraham Lincoln in Springfield in the winter of 1840, he is on no one’s short list to be president. A country lawyer living above a dry goods shop, he is lacking both money and manners, and his gift for oratory surprises those who meet him. Mary, a quick, self-possessed debutante with an interest in debates and elections, at first finds him an enigma. “I can only hope,” she tells his roommate, the handsome, charming Joshua Speed, “that his waters being so very still, they also run deep.” It’s not long, though, before she sees the Lincoln that Speed knows: an amiable, profound man who, despite his awkwardness, has a gentle wit to match his genius, and who respects her keen political mind. But as her relationship with Lincoln deepens, she must confront his inseparable friendship with Speed, who has taught his roommate how to dance, dress, and navigate the polite society of Springfield. Told in the alternating voices of Mary Todd and Joshua Speed, and inspired by historical events, *Courting Mr. Lincoln* creates a sympathetic and complex portrait of Mary unlike any that has come before; a moving portrayal of the deep and very real connection between the two men; and most of all, an evocation of the unformed man who would grow into one of the nation’s most beloved presidents. Louis Bayard, a master storyteller, delivers here a page-turning tale of love, longing, and forbidden possibilities.

developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today. He also wrote *How to Stop Worrying and Start Living* (1948), *Lincoln the Unknown* (1932), and several other books.

In the blistering summer of 1861, President Lincoln began pressuring and ordering the physical shutdown of any Northern newspaper that voiced opposition to the war. These attacks were sometimes carried out by soldiers, sometimes by angry mobs under cover of darkness. Either way, the effect was a complete dismantling of the free press. In the midst stood publisher John Hodgson, an angry bigot so hated that a local newspaper gleefully reported his defeat in a bar fight. He was also firmly against Lincoln and the war--an opinion he expressed loudly through his newspaper. When his press was destroyed, first by a mob, then by U.S. Marshals "upon authority of the President of the United States," Hodgson decided to take on the entire United States. Thus began a trial in which one small-town publisher risked imprisonment or worse, and the future of free speech hung in the balance. Based on 10 years of original research, *Lincoln's Wrath* brings to life one of the most gripping, dramatic and unknown stories of U.S. history. "Brilliant . . . Ferguson's guided tour of the often amusing, sometimes bizarre ways we remember Lincoln today . . . is heartening and even inspiring." —Bill Kristol, *Time*

Abraham Lincoln was our greatest president and perhaps the most influential American who ever lived. But what is his place in our country today? In *Land of Lincoln*, Andrew Ferguson packs his bags and embarks on a journey to the heart of contemporary Lincoln Nation, where he encounters a world as funny as it is poignant, and a population as devoted as it is colorful. In small-town Indiana, Ferguson drops in on the national conference of Lincoln presenters, 175 grown men who make their living (sort of) by impersonating their hero. He meets the premier collectors of Lincoln memorabilia, prized items of which include Lincoln's chamber pot, locks of his hair, and pages from a boyhood schoolbook. He takes his wife and children on a trip across the long-defunct Lincoln Heritage Trail, a driving tour of landmarks from Lincoln's life. This book is an

entertaining, unexpected, and big-hearted celebration of Lincoln's enduring influence on our country—and the people who help keep his spirit alive. “A hilarious, offbeat tour of Lincoln shrines, statues, cabins and museums . . . Mr. Ferguson maps it expertly, with an understated Midwestern sense of humor that Lincoln, master of the funny story, would have been the first to appreciate.” —William Grimes, *The New York Times*

From the acclaimed historian and bestselling author: a page-turning account of the epic struggle over slavery as embodied by John Brown and Abraham Lincoln--two men moved to radically different acts to confront our nation's gravest sin. John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him, telling him to destroy slavery by any means. When Congress opened Kansas territory to slavery in 1854, Brown raised a band of followers to wage war. His men tore pro-slavery settlers from their homes and hacked them to death with broadswords. Three years later, Brown and his men assaulted the federal arsenal at Harpers Ferry, Virginia, hoping to arm slaves with weapons for a race war that would cleanse the nation of slavery. Brown's violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery: politics. Lincoln spoke cautiously and dreamed big, plotting his path back to Washington and perhaps to the White House. Yet his caution could not protect him from the vortex of violence Brown had set in motion. After Brown's arrest, his righteous dignity on the way to the gallows led many in the North to see him as a martyr to liberty. Southerners

responded with anger and horror to a terrorist being made into a saint. Lincoln shrewdly threaded the needle between the opposing voices of the fractured nation and won election as president. But the time for moderation had passed, and Lincoln's fervent belief that democracy could resolve its moral crises peacefully faced its ultimate test. *The Zealot and the Emancipator* is the thrilling account of how two American giants shaped the war for freedom.

This historical thriller is an equal-parts cocktail of action, adventure, science-fiction and comedy. The book follows a globe-trotting President Taft and Robert Todd Lincoln in a race to solve a mystery stretching back to the Civil War and the Lincoln assassination. Based on true events, readers will find themselves swept into a vast conspiracy spanning four continents and three oceans during the turn of the century. Fascinating technologies will be harnessed, dark secrets revealed, true villains exposed, and some of the most famous figures in history will take the stage. With surprises lurking around every corner, and a vast cast of characters to root for, Jacopo della Quercia's *The Great Abraham Lincoln Pocket Watch Conspiracy* is a heart-pounding adventure that only history could have made possible.

Provides an annotated medical history of Abraham Lincoln and his family. Originally published in 1942 and now reprinted for the first time, *They Knew*

Read PDF Lincoln The Unknown

Lincoln is a classic in African American history and Lincoln studies. Part memoir and part history, the book is an account of John E. Washington's childhood among African Americans in Washington, DC, and of the black people who knew or encountered Abraham and Mary Todd Lincoln. Washington recounted stories told by his grandmother's elderly friends--stories of escaping from slavery, meeting Lincoln in the Capitol, learning of the president's assassination, and hearing ghosts at Ford's Theatre. He also mined the US government archives and researched little-known figures in Lincoln's life, including William Johnson, who accompanied Lincoln from Springfield to Washington, and William Slade, the steward in Lincoln's White House. Washington was fascinated from childhood by the question of how much African Americans themselves had shaped Lincoln's views on slavery and race, and he believed Lincoln's Haitian-born barber, William de Fleurville, was a crucial influence. Washington also extensively researched Elizabeth Keckly, the dressmaker to Mary Todd Lincoln, and advanced a new theory of who helped her write her controversial book, *Behind the Scenes*. A new introduction by Kate Masur places Washington's book in its own context, explaining the contents of *They Knew Lincoln* in light of not only the era of emancipation and the Civil War, but also Washington's own times, when the nation's capital was a place of great opportunity and creativity for members of the

African American elite. On publication, a reviewer noted that the "collection of Negro stories, memories, legends about Lincoln" seemed "to fill such an obvious gap in the material about Lincoln that one wonders why no one ever did it before." This edition brings it back to print for a twenty-first century readership that remains fascinated with Abraham Lincoln.

Offers a treatment of Abraham Lincoln's invention of a device to buoy vessels over shoals. This book shows how, when, where, and why Lincoln created his invention and demonstrates how his penchant for inventions and discoveries informed his political belief in internal improvements and free-labor principles. Few days in history have been as meticulously documented as Abraham Lincoln's last day. The bucket list was short. The day began as a peaceful spring day and Lincoln had put in motion a plan to have a joyous carriage ride with his wife, attend the theater, and spend the day enjoying his family. Gone was the melancholy that had engulfed the last few years. On this day, the President bounced out of bed, was jovial at breakfast, and uncharacteristically fussed over his appearance. He was usually unkempt and miserable, but had a special reason to appear dapper on this day. On their carriage ride there is about an hour where the Lincolns are unaccounted for. Mary Lincoln claims they went toward The Soldier's Home-historians disagree with her, but do not offer much of an

alternative. Many historical accounts of Lincoln's last carriage ride contradict the very eyewitness accounts they source. Everyone knows the events of that night, and hopefully my photograph fills in the afternoon of Lincoln's last day.

A story of faith and fraud in post-Civil War America, told through the lens of a photographer who claimed he could capture images of the dead. In the early days of photography, in the death-strewn wake of the Civil War, one man seized America's imagination. A "spirit photographer," William Mumler took portrait photographs that featured the ghostly presence of a lost loved one alongside the living subject. Mumler was a sensation: The affluent and influential came calling, including Mary Todd Lincoln, who arrived at his studio in disguise amidst rumors of séances in the White House. Peter Manseau brilliantly captures a nation wracked with grief and hungry for proof of the existence of ghosts and for contact with their dead husbands and sons. It took a circus-like trial of Mumler on fraud charges, starring P. T. Barnum for the prosecution, to expose a fault line of doubt and manipulation. And even then, the judge sided with the defense, suggesting no one would ever solve the mystery of his spirit photography. This forgotten puzzle offers a vivid snapshot of America at a crossroads in its history, a nation in thrall to new technology while clinging desperately to belief. An NPR Best Book of 2017 "A rare work of historical nonfiction that is both studious and just plain

Read PDF Lincoln The Unknown

entertaining.”—Publishers Weekly, Top Ten Books of 2017 “An exceptional story.”—Errol Morris, New York Times Book Review “Manseau has become the foremost chronicler of the deep American desire to believe in the weird, the strange, and the oddly wonderful.”—Jeff Sharlet, New York Times—bestselling author of *The Family: The Secret Fundamentalism at the Heart of American Power*
