When being with Jay causes Liam's protective instincts to emerge, he thinks all he knew had been a convenient excuse to stay hidden. A lyric & poetry collection. Possibilities & Heartbreak Love Stories is a collection of various pieces dealing with love and life from all different angles.

Have you ever had that awful experience where something has gone wrong that left you feeling less good about yourself and you've then had trouble shaking off those negative thoughts? Do you have moments when you feel you don't measure up to your own expectations - let alone those of other people? Are you longing to have an intimate relationship with God but have a secret suspicion that, with all your failings, you aren't really 'good enough' to register on His radar? If the answer to any of these questions is 'Yes' then this book is for you! It has been written to help people understand what sabotages personal self-esteem. It also provides solutions to develop a healthy and authentic confidence. Practical activities and reflections embed what is being learned. The book also looks at how people can enter into 'garden time' with God and stay mindfully focused on His presence with them every moment of their day.

Three years ago, she died for love. Three years later, a marriage, a promise, love before others, joy every night, she just thought she was acting. She had thought that she could ignore him, but when his first love, Little San, came knocking on her door one after another, she found that she could no longer remain calm. When love was like a moth to a flame, she decided to turn her back on him, but she did not think that the man who betrayed her would once again stand before her. When the past that had been shelved was brought up again, gently and trapping, revenge and counter-revenge, in a maze, how could she clearly see the truth?

From Jacqueline Jackson, wife of Jesse Jackson, role model, and civil rights veteran, comes an inspiring gift of love to a child in his darkest hour—and a lesson to everyone who has been touched by the scourge of mass incarceration.

Jacqueline Jackson promised her son, Congressman Jesse L. Jackson, Jr., that she would write him every day during his incarceration in prison while he served his thirty-month sentence. This book is an inspiring and moving selection of the letters she wrote him. Together, they comprise a powerful act of love—nurturing and ministering to her son's heart, health, and mind and maintaining his essential connection with home. Frank, anecdotal, imbued with faith, and sometimes humorous, they offer intimate details from the family's daily life, along with news of friends and the community and glimpses of such figures as Nelson Mandela, Winnie Mandela, and Mayor Marion Barry. They also touch eloquently on issues of social justice, politics, and history, as when Mrs. Jackson recalls growing up in Jim Crow Florida, and they reflect the qualities, instilled by her own mother, that made her a role model for much of her life. Ultimately, these letters offer a blueprint for why we have to support our families not just as they elevate but when they fall. This collection is Mrs. Jackson's contribution to healing during a time when our prisons are full and our communities are suffering. She provides the road map for ensuring that the individuals serving sentences understand that prison is where they are, not who they are and for helping them sustain the courage to keep hope alive.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.
