The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, *Open Book* is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers

on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture clichés — “chicken or fish,” “Daisy Duke,” “football jinx,” “mom jeans,” “sexual napalm...” and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

Groening, the creator of "The Simpsons," offers an on-going series of portable and quotable books that will eliminate the need for all religions and philosophies, exalt man's role in the universe, and make the world a better place...sort of. No other television show in history has commented so freely and so humorously on modern times, and there seems to be no end in sight for the sharp satire and pointed parody that The Simpsons serves up every night of the week all around the world.

Item #176: A fire drill. No, not an exercise in which occupants of a building practice leaving the building safely. A drill which safely emits a bit of fire, the approximate shape and size of a drill bit.

Item #74: Enter a lecture class in street clothes. Receive loud phone call. Shout "I NEED TO GO, THE CITY NEEDS ME!" Remove street clothes to reveal superhero apparel. Run out for the good of the land.

Item #293: Hypnotizing a chicken seems easy, but if the Wikipedia article on the practice is to be believed, debate on the optimal method is heated. Do some trials on a real chicken and submit a report . . . for science of course.

Item #234: A walking, working, people-powered but preferably wind-powered Strandbeest.

Item #188: Fattest cat. Points per pound.

The University of Chicago's annual Scavenger Hunt (or "Scav") is one of the most storied college traditions in America. Every year, teams of hundreds of competitors scramble over four days to complete roughly 350 challenges.

The tasks range from moments of silliness to 1,000-mile road trips, and they call on participants to fully embrace the absurd. For students it is a rite of passage, and for the surrounding community it is a chance to glimpse the lighter side of a notoriously serious university.

shares the stories behind Scav, told by participants and judges from the hunt's more than thirty-year history. The twenty-three essays range from the shockingly successful (a genuine, if minuscule, nuclear reaction created in a dorm room) to the endearing failures (it's hard to build a carwash for a train), and all the chicken hypnotisms and permanent tattoos in between. Taken together, they show how a scavenger hunt once meant for blowing off steam before finals has grown into one of the most outrageous annual traditions at any university. The tales told here are absurd, uplifting, hilarious, and thought-provoking—and they are all one hundred percent true.

'Tis the season for a holly jolly jubilee of winter wonderment from Matt Groening, the naughty but nice creator of "The Simpsons." Join in the frosty fun and prepare to be wassailed with letters to Santa, hot cider, Christmas angels, Hanukkah gifts, New Year's resolutions, one-eyed snowmen, snowboarder lingo, red-nosed rein-dogs, ill-conceived Christmas specials, and half-baked holiday hibernation diets. Glad tidings of great joy, it's . . . The Simpsons Homer for the Holidays
