After World War II dialect poetry became widespread in Italy, with the Milanese poet Franco Loi being one of its most prominent and masterful practitioners. In the 1970s, a leading critic called Loi "the most powerful poetic personality of recent years," and since then Loi has been considered one of the most distinguished living Italian poets. The present volume, the first full length collection of Loi's work to appear in English, has been translated and edited by Andrew Frisardi and provides a selection of Loi's shorter lyrical poems, drawn from the full span of his career, as well as an in-depth interview with Loi in which he discusses poetry, religion, politics, writing in dialect, and the shaping experience of living through wartime Milan.

This book constitutes the refereed proceedings of the International Conference on Spatial Information Theory, COSIT'95, held near Vienna, Austria, in September 1995. Spatial Information Theory brings together three fields of research of paramount importance for geographic information systems technology, namely spatial reasoning, representation of space, and human understanding of space. The book contains 36 fully revised papers selected from a total of 78 submissions and gives a comprehensive state-of-the-art report on this exciting multidisciplinary - and highly interdisciplinary - area of research and development.

Given the range of his writing, teaching Calvino can seem a daunting task. This volume aims to help instructors develop creative and engaging classroom strategies. Part 1, "Materials," presents an overview of Calvino's writings, nearly all of which are available in English translation, as well as critical works and online resources. The essays in part 2, "Approaches," focus on general themes and cultural contexts, address theoretical issues, and provide practical classroom applications. Contributors describe strategies for teaching Calvino that are as varied as his writings, whether having students study narrative theory through *If on a winter's night a traveler*, explore literary genre with *Cosmicomics*, improve their writing using *Six Memos for the Next Millennium*, or read *Mr. Palomar* in a general education humanities course.

In 1981 Federico, a 36-year old Italian tour escort of a group of Italian students in Ireland, meets Blanche, a 21-year old au-pair girl from France. He is a radio disc jockey and also a teacher of English. They decide to meet again two months later and make love. In the meantime he accompanies his group to London and then he goes to New Jersey for one month with another group. He meets Blanche in France and then in Italy. The title comes from the car number plates of Ireland, Italy and France. The original book is written in English and Italian, with some parts also in French, and is a good opportunity for those who want to study Italian and English.

The past few years have witnessed a growing academic interest in Italian Studies and an increasing number of symposia and scholarly activities. This volume originates from the Society for Italian Studies Postgraduate Colloquia that took place at the University of Leicester and Cambridge in June 2004 and April 2005 respectively. It gathers together articles by young researchers working on various aspects of Italian Studies. It well illustrates current trends in both typical areas of research, like literature and 'high culture', and in those which have gained momentum in recent years, like translation and language studies. The volume offers a taste of the dynamic outlook of current research in Italian Studies: the interdisciplinary approach of the essays in translation and gender studies, and the innovative methodological perspectives and findings offered by the new fields of Italian L2 and ethnography. The book is divided into three sections, each grouping contributions by broad subject areas: literature and culture, translation and gender studies, language and linguistics. Cross-fertilizations and interdisciplinary research emerge from several essays and the coherent ensemble constitutes an example of the far-reaching results achieved by current research.

The essays published in this volume cover many aspects of the history of Cluny from its foundation until the end of the twelfth century. Four of them are published here for the first time, and others appear in a revised form. The three articles on Cluny in the tenth, eleventh, and twelfth centuries constitute a brief survey of Cluny at the height of its prestige and influence. Others, such as the articles on Cluny and the Investiture Controversy and the First Crusade, deal with the influence of Cluny outside its walls. Yet others are concerned with the relations between Cluny and other orders, between Cluny and its dependent houses, and between the abbey and town of Cluny. The remainder study the internal history of the abbey, the administration, legislation, and finances of the order, and its development and problems, especially in the twelfth century.

Primo è un ragazzo solitario e riservato. Nei momenti più bui della sua vita, si è sempre affidato alla scrittura per sfogarsi e andare avanti. Un giorno però ritrova una lettera scritta dal padre, prima che morisse, e le sue certezze si sgretolano. Deluso da tutto, afferra i suoi appunti e sale sul tetto del palazzo per farne un falò. Qui incontra Futura, una ragazza dall'aria ingenua e indifesa che, in piedi sul parapetto, sta per gettarsi di sotto. Primo non ha la vocazione dell'eroe, anzi il cinismo che lo contraddistingue lo porta a scrollare le spalle di fronte a quella scena, proseguendo nell'intento di bruciare gli scritti che per anni ha custodito nella sua stanza. Futura però aspettava solo qualcuno a cui aggrapparsi. Inizia così a essere una presenza fissa nella vita di Primo, che invece non vuole alcun legame con lei e deve barcamenarsi fra uno strano sentimento non corrisposto per D e il coinquilino, Elia, che si sta lentamente distruggendo a causa del vortice malato in cui il suo compagno Riccardo lo sta trascinando. Quando, una notte, Primo e Futura troveranno il corpo senza vita di una giovane ragazza, Primo capirà che rimanere uniti è l'unica possibilità per affrontare la vicenda e che è arrivato il tempo di agire.
