Single-sided to prevent bleed-through. Suitable designs for children of 4 to 8 years old, not too simple and not too intricate. Honing child's creativity, helping child to relaxing, practicing child's pencil grip A nice large (letter size) page for kids to enjoy while coloring. It's a perfect GIFT for you, your friends and loved ones. The Localist: Think Independent, Buy Local, and Reclaim the American Dream is the story of one girl's journey from buy-local blogger to woman entrepreneur and indie-shop advocate. When Carrie Rollwagen decided to give up corporate shopping for a year and instead shop local-only, she knew that she'd have to learn how to shop local, that she'd discover new indie businesses, and that she'd need to makeover her shopping habits. What she didn't know is that she'd save money, discover how to connect with her community, and learn to love indie business more than the big box stores she'd bought from all her life. She also didn't know that, before her buy-local year was over, she'd be the owner of her own independent business, a community coffee shop and indie bookstore in Birmingham, Alabama. In The Localist, we follow Carrie on her localist adventure as she embraces slow food, small business, the locavore movement, and many quirky indie shopkeepers and unique independent shops along the way. She tells the story of her year of blogging about buying local in Birmingham, Alabama, and she gives us an inside look at her experience as a new female entrepreneur opening a new neighborhood business: Church Street Coffee & Books, an independent bookshop and locally owned coffee shop. Part memoir, part manual on how to shop local, The Localist is pro-community, but it's not necessarily anti-corporate. Carrie doesn't attack all big business, but rather shows us what we create with our shopping dollars and helps us see new ways of making positive impact on our communities with our spending. Big box stores are convenient, but corporations are not people, and it's important that we shop local and support indie business to keep the scales balanced between Main Street and Corporate America. Carrie Rollwagen is a copywriter and independent business owner based in Birmingham, Alabama. The Localist: Think Independent, Buy Local, and Reclaim the American Dream, based on her year-long blog about choosing independent shops over big box stores, is her first book.

Wondering how to get to that life you really thought you'd be living by now? Claire Cook speaks to real women—our fears and obstacles and hopes and desires—and gives us cutting edge tools to get where we want to go. Bursting with inspiration, insider stories, and practical strategies. Filled with humor, heart, encouragement, and great quotes. Claire Cook shares everything she's learned on her own journey— from writing her first book in her minivan at 45, to walking the red carpet at the Hollywood premiere of "Must Love Dogs" at 50, to becoming the international bestselling author of eleven novels and a sought after reinvention speaker. You'll hop on a plane with Claire as you figure out the road to your own reinvention. You'll laugh a lot and maybe even shed a few tears as Claire tells her stories and those of other reinventors, and shares her best tips for getting a plan, staying on track, pulling together a support system, building your platform in the age of social networking, dealing with the inevitable ups and downs, overcoming perfectionism, and tuning in to your authentic self to propel you toward your goals. "Never Too Late: Your Roadmap to Reinvention (without getting lost along the way)" is real, grounded, and just the book you need to start reinventing your life.

The tension between trade liberalisation and environmental protection has received remarkable attention since the establishment of the WTO. It has been the subject of a wide-ranging debate, and is one of the central themes of the anti-globalisation movement. This book explores that debate. It argues that by focusing on the WTO, the debate has failed to recognise the institutional and discursive complexity in which the trade-environment conflict is embedded. A legal investigation of this nexus requires a framework of inquiry, in which this complexity can be elucidated - a model of global legal pluralism. The first theoretical part of the book (Chapters One and Two) responds to this challenge by developing a pluralistic model, which recognises the trade and environment conflict as the product of multiple dilemmas, constituted and negotiated by a myriad of institutional and discursive networks. As such, this conflict cannot be understood or addressed through one-dimensional models. Viewing the trade-environment conflict through a pluralistic perspective yields important practical insights. It means that this conflict cannot be resolved by uniform economic or legal formulae. Dealing with this conflict requires, rather, polycentric and contextual strategy. The empirical part of the book (Chapters Three to Seven) explicates this thesis by examining several global legal domains, ranging from the WTO to 'private' transnational regimes such as transnational litigation, international construction law and international financial law. This part demonstrates how the different discursive and institutional structures of these domains have influenced the contours of the trade-environment conflict, and considers the policy implications of this diversity from a pro-environmental perspective.

If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site.

This pocket size coloring book presents 31 detailed illustrations inspired by Scandinavian folk art. The difficulty level of

the illustrations in this book ranges from beginner to intermediate. An illustration may contain small details less than 1/16 in (1.6 mm) which require sharp vision to work with. Or you can just leave them blank. Recommended coloring supplies are fineliners, gel pens and markers.

Panda Coloring Book. Best Coloring Book Unique Collection Of Coloring Pages Gift For Kids

Alan Seeley. Following on from the success of *The Motorcycle Book*, this extensively illustrated, all-color book provides comprehensive reference for all scooter owners and enthusiasts. From traditional to sports, through big-wheel and Super, all aspects of buying, riding, maintaining and tuning a scooter are included. Cute day to a page diary. Perfect for girls and women that love magical unicorns and fairy tales. Stay organised, keep your notes and plans altogether in this pretty notebook.

Eighteen million Vespas have buzzed their way into the world since 1946. Stood end to end, they would form a line measuring 32,000 kilometres – 20,000 miles – in length. This is an almost inconceivable statistic, as with many things that transcend conventional measures and at some point achieve cult status. How did the little machine come so far? The answer is simple. The Vespa has always remained the Vespa, true to itself, and has what others lack: real character! This book tells the Vespa's story via over 470 photos, corrects many misconceptions and lets the reader become immersed in the culture of Vespa and *la bella vita*. From the USA Today bestselling author of *Midnight Captive*, the latest *Killer Instincts* novel is "off-the-charts-hot"* romantic suspense that takes readers into the heart of an enigmatic mercenary... Out of all the stone-cold mercenaries in Jim Morgan's black ops organization, Derek "D" Pratt is the most intimidating. He is tight-lipped and covered in tattoos, and even the other guys on his team are afraid to ask him about his past. D's been off the grid for years, but after his teammate Sullivan is mistakenly captured in his place, D is forced to come out of hiding and face his demons. When D lands in Mexico, he's ready to risk everything to save his friend. To complicate matters, Sofia Amaro, a feisty doctor whom D had a one-night stand with months ago, has tracked him down. And in an instant she's unintentionally caught up in his life-threatening rescue mission. Now D must extract not one but two people from the most violent world he's ever encountered. And one of them is carrying his child...

Incensed by an economic policy that allows banks to create money out of nothing and collect undeserved interest on it, twenty-four year old Tyler Madison is on a mission to expose the clandestine operations of the U.S. Central Bank. After he is injured in a suspicious road accident, his reclusive mother steps out and realizes his life is in danger, and the good guys and bad guys are not who they appear to be. When Tyler teams up with an aspiring presidential candidate, dark forces gather to shut them up...

A distinction is made in formal semantics between "stage-level predicates," predicates that describe the general state of a noun, and "individual-level predicates," predicates that specify the specific properties of a noun. Fernald investigates various contexts in which this distinction is traditionally said to come into play. His aim is to show that the effects displayed are not uniform, and that the differences between the analyses proposed in the literature arise from the authors considering different subsets of data that they take to exemplify the "core" meaning of the stage/individual distinction. Fernald presents alternatives and extensions that shed light on the limitations of previous theories, as well as making original observations about important aspects of the topic, including coercion, and perceptual reports vs. other phenomena.

This is a blank, LINED journal. It's a small, convenient size at 6x9. Plenty of room for all of your notes and thoughts! It's a perfect gift for many occasions - birthdays, holidays, co-worker gifts and gag gifts, all at a very affordable price. Or purchase it as a treat for yourself. Regardless of the recipient, it will surely get some love and maybe some laughs. This is a gift you will not be able to find in stores. Remember, there are also many benefits to journaling and writing down your thoughts. Among these are stress reduction, numerous healing benefits, personal growth and so much more. If you are looking for unlined pages, make sure to check out our other journals.

Perfect in its compactness, in its functionality, and in its widely imitated design, the Vespa scooter is not only a means of transport, but a true icon. In celebration of Vespa's 75th anniversary, *Vespa: Style and Passion* is the lavishly illustrated official history of the legendary scooters and the culture they've inspired. Introduced by the Italian firm Piaggio in 1946 with the model 98, Vespa enjoyed quick success. The scooters' diminutive size and affordability were perfect for promoting postwar mobility. But as with most novel designs, it would also be highly imitated, destined for icon status. From Piaggio's origins to the first Vespa prototypes to today's forward-looking Elettrica model, *Vespa: Style and Passion* is the ultimate retrospective of this beloved brand. A rich selection of visuals includes dozens of studio images of the most significant models from throughout Vespa history--including classics like the 125, 150 GS, Super Sprint, Primavera, and Rally--as well as period advertisements, rare archival photographs, and images of Vespas in popular culture and motorsport. Mod culture, perhaps most responsible for spreading scooter culture, is also given its due with images of customized Vespas. *Vespa: Style and Passion* relates with elan and high design the endless evolution of a marque that has conquered six continents, with 19 million units sold. The Vespa is not simply a scooter, but the scooter, known and appreciated the world over--a rare example of a motor vehicle that survived crises and fashions, always remaining faithful to the original concept. This is the definitive story of that influence.

This extensively illustrated all-color book provides a comprehensive reference source for all motorcycle owners and enthusiasts, and is aimed in particular at those who are new or returning to the biking scene. Written by a long-standing motorcycle expert, this book is invaluable to anyone contemplating their first motorcycle, and will improve the reader's overall understanding of their machine without necessarily having to

Virginal beauty Cally Maitland has become accustomed to life on the run since fleeing her marriage to British aristocrat Sir Nicholas Tempest. But Nicholas isn't prepared to let Cally go. He has a harsh ultimatum to deliver: give him their long-overdue wedding night — and provide him with an heir! Mills & Boon Modern — Seduction, glamour and sinfully seductive heroes await you in luxurious international locations.

During the So-Cal Mod revival of the mid-1980s, one teen's simple quest to buy a Vespa is about to turn into an absolute nightmare. It's 1985, and to say Tommy Daniels is Mod-obsessed is no understatement: buying a scooter is the ultimate goal of his young life. When he hits the road on his search, it will be the strangest, most shocking three days imaginable, and he'll encounter a host of colorful characters, including a jerk cop and the Mod girl of his dreams, but nothing's going to stand in his way. His is a story of wanting something so badly, you'll put everything on the line to get it. Along the way, each chapter introduces a soundtrack song from Tommy's Mod mixtape. Also included, "It's a Way of Life," an essay about the Mod revival in 1980s Southern California by Bart Mendoza, lead singer of the band Manual Scan, noted music journalist, and a prime player in the San Diego Mod scene. This prose novel includes a color image section featuring some prime Mod moments in California from the 1980s, as well as acclaimed artist Ralph Cosentino's cover for Dr. Harvey's Victor the Vespa, the fictional book written by a character in the story!

This wall hanging has a lovely naive folk-art quality. The scene, in fresh spring colors, is filled with birds flitting about and perched in the trees, with flowers and grasses embroidered beneath them. The techniques used include freezer paper applique, making appliqued stems for branches, easy machine stitching and quilting and some fun hand embroidery using thread and silk ribbon.

This book presents fans of Henry David Thoreau with a marvelous display of his most underappreciated quality: his killer sense of humor. Amid the transcendental musings of his best known works and the nature descriptions in his voluminous journal, Thoreau was constantly tossing off jokes, whipping out witticisms, and making fun of himself and others. Here he is in his own words trying to wrangle a pig, peeing in the woods, losing a tooth, laughing at Emerson shooing away his own cow, describing the slapstick of snowmelt and mud in the Concord streets on the town's slipperiest spring day, elaborating on his dislike of other men's bowels, and more. Included in this volume is Thoreau's posthumously-published lecture, "Getting a Living," which can (and ought to be) read as a stand-up philosophy routine bristling with one-liners.

With the scandalous nature of her birth to live down, Isabella Fairmont dreams of a proper marriage—even if a passionless one. She saves her deepest desires for the novel she dares to pen, wherein a handsome lord with dark powers seduces her. But then her courtship with an appropriate suitor is threatened by the sudden attentions of the reclusive Earl of Black...whose pale blue eyes and brooding sensuality are exactly as she described in her book. Isabella tries to resist the mysterious Earl of Black. Yet as he pursues her, with inexplicable knowledge of her past and kisses that consume her, Isabella fears she will succumb. If only the earl could tell Isabella the truth. With very real, and treacherous, thieves endangering her life, Black will need to protect Isabella from the very people she trusts the most....
