## Criminal Litigation

This comprehensive text uses a real world focus to cover all of criminal procedure, from first contact to appeal. Criminal Procedure: From First Contact to Appeal, 5e is a comprehensive introduction to criminal procedure, from first contact with the police, all the way through to appeal. The text is divided into five parts: (1) Introduction; (2) Search and Seizure; (3) Interrogations, Confessions, and Identification Procedures; (4) The Beginnings of Formal Proceedings; and (5) Trial, Conviction, and Beyond. The latter two topics are rarely covered in conventional criminal procedure books, particularly at the level of detail found in this text. This book presupposes no legal expertise, connects criminal procedure cases to the real world through innovative pedagogy, and encourages students through numerous decision making exercises to be critical thinkers by putting them in the position of judge. Teaching and Learning Experience This book presents a comprehensive introduction to criminal procedure, thoroughly presenting basic legal concepts and issues in a conversational written style and tone. It provides: Real World Focus: The text contains actual legal documents and excerpts from official policy manuals of police departments and other criminal justice agencies around the United States

Clear, up-to-date coverage: Sequentially organized text is laden with the latest court cases and practical examples and illustrations  
Outstanding Pedagogical Features: Provides students with tools to master key concepts and content

In this Advanced Introduction, Christopher Slobogin covers every significant aspect of U.S. criminal procedure. Focusing on Supreme Court cases and the most important statutory rules that provide the framework for the criminal justice system, he illuminates the nuances of American criminal procedure doctrine and offers factual examples of how it is applied. Chapters cover police practices such as search and seizure, interrogation, and identification procedures, as well as the pretrial, trial and post-conviction process.

## **Advanced Criminal Procedure**

This book is tailor made for a class on the criminal adjudication process, covering all essential post-investigation steps, from "bail to jail". Because the book includes an overview of the criminal process and comprehensive treatment of the right to counsel, it is easily adaptable, permitting teachers to use it for a stand-alone course on criminal prosecutions, a second criminal procedure course to follow a class on police practices and investigations, or an introductory criminal procedure course that students may take before taking a class on the investigative phases. The chapters provide in depth coverage of developing law, often incorporating the latest empirical information, state law trends, ethical rules, and policy debates. Topics include: pretrial detention and release the charging decision preliminary hearing and grand jury review, discovery and disclosure, plea bargaining, trial, double jeopardy, sentencing, appellate and post-conviction review

The Fourth Edition of this clearly written Understanding treatise is new in many respects. Most significantly, it has been enlarged to two volumes. Volume One: Investigation is intended for use in criminal procedure courses focusing primarily or exclusively on the police investigatory process. Volume Two: Adjudication covers the criminal process after the police investigation ends and the adjudicative process commences. The text covers the most important United States Supreme Court cases in the field. Where pertinent, the Federal Rules of Criminal Procedure, federal statutes, and lower federal and state court cases are considered. The broad overarching policy issues of criminal procedure are laid out and some of the hottest debates in the field are considered in depth and objectively. The authors have also included citations to important scholarship, both classic and recent, into which readers may delve more deeply regarding specific topics.

This volume analyses criminal procedural issues from a European perspective, particularly in connection with EU law and ECHR law. As such, it differs from previous works, which, on the one hand, generally focus only on EU law, and, on the other, address both procedural and substantial aspects, as a result of which the former receive inadequate attention. Indeed, criminal procedural matters in the European context have now reached a level of complexity, but also of maturity, that shows the features of a great design, which, even if not yet defined in all its aspects, appears sufficiently articulated to deserve to be explained in a systematic way. The book offers a guidance for practitioners, academics and students alike. It covers a broad range of topics: from the complex system of the sources of law to the multilevel protection of fundamental rights; from vertical and horizontal judicial and police cooperation to the instruments of mutual recognition, primarily the European Arrest Warrant; but also the European Investigation Order, the execution of confiscation orders, the ne bis in idem principle, the conflicts of jurisdiction and the enforcement of judgements. The book also reflects the latest regulation on the establishment of the European Public Prosecutor's Office.

Criminal Procedure: A Contemporary Perspective, Third Edition provides a comprehensive introduction to the rules and principles of criminal procedure law. This text uses a case study approach, with a focus on the U.S. Supreme Court, to help readers develop the analytical skills necessary to understand the origins, context, and evolution of the law. With an emphasis on federal constitutional law, all cases and accompanying discussions have been updated throughout, as have the end-of-chapter review questions and key terms. Readers will find the third edition of Criminal Procedure: A Contemporary Perspective to offer a comprehensive and modern overview of the complex subject of criminal procedure. New and Key Features of the Third Edition: -All cases and coverage of case law have been updated throughout to offer students the most pertinent information on the subject. -Includes case law associated with homeland security and criminal procedure, throughout the book. -Provides new and updated key terms, review questions, and oral argument references at the end of each chapter. -Every new printed copy is packaged with full student access to the student companion website featuring a wealth of interactive study tools (eBook version does not include access to the student companion website. Standalone access can be purchased here <http://www.jblearning.com/catalog/9781449652357/>)

## **Modern Criminal Procedure/Basic Criminal Procedure/Advanced Criminal Procedure**

This readable book walks step-by-step through the criminal adjudication process, from the post-arrest bail decision and the right to counsel through the post-trial direct appeal. It analyzes the main cases and statutes in each area, showing how the doctrine has developed and its current state. The book also places great emphasis on the Federal Rules of Criminal Procedure, working through their text in a clear, understandable way, explaining not only the law but the strategic issues

that a lawyer might face. This is the ideal book for the student who wants both a broad overview of how the parts of the process fit together and enough detail to understand the thorny problems that are most likely to arise on an exam and in practice. This book works equally well as a stand-alone text or as a supplement to a traditional casebook.

Written in the student-friendly style that characterizes Chemerinsky's Constitutional Law casebook, *Criminal Procedure: Adjudication* features cases, minor cases, and author-written essays while omitting both notes in the form of rhetorical questions and excerpts from law review articles. The chronological organization moves through the criminal justice process, from investigation to habeas corpus. Dynamic text guides students through understanding the law with tightly edited cases, samples of legal pleadings arguing the issues, and perspectives from prosecutors, defense, counsel, judges, police, and victims alike. Each chapter has a consistent, systematic approach, beginning with an introduction laying out the nature of the issue, followed by a discussion on the history and development of the law. Then, examples of recent and seminal cases reveal how key criminal procedure issues have been raised, and an analytic approach toward resolving each issue shows what worked and why. The Second Edition has been thoroughly updated and provides analysis of the impact of important recent decisions, such as *Arizona v. Gant*, *Herring v. U.S.*, *Berghuis v. Thompkins*, *Maryland v. Shatzer*, *Montejo v. Louisiana*, and *Perry v. New Hampshire*. In addition, the Second Edition examines new decisions affecting right to counsel. New supplemental handouts and practice materials are available on the companion website. Specifically designed and written for use on the advanced criminal litigation option on the Bar Professional Training Course, this manual adopts a pragmatic approach to its treatment of criminal law and focuses specifically on those areas of criminal law which are most important to the junior criminal practitioner and which they are most likely to encounter during their first years in practice. Split into three distinct parts, the first part of the manual deals with the crucial procedural aspects of criminal law which will be encountered in practice, including the scope of legal powers to enter and search premises, and abuse of process. Part II covers selected areas of the substantive law, which are particularly relevant to the junior practitioner, including public order offences, dangerous drugs, offensive weapons, and drink driving and road traffic offences. The final section features an extended case study focusing on features which the practitioner will commonly encounter in practice, including police witnesses, custody records and conflicts of interest between defendants. Including realistic case papers and typical exhibits, this section also features a set of tasks to perform and a sample answer offering trainee barristers the opportunity to practice applying their skills in a criminal litigation context. This new edition has been updated to reflect significant developments in case law and in particular, the title has been revised to include new offences relating to inciting hatred on the grounds of sexual orientation.

Criminal Procedure: Investigation and Right to Counsel, Fourth Edition is derived from the successful casebook Comprehensive Criminal Procedure. Like the parent book, it covers the Fourth, Fifth, and Sixth Amendments and related areas using a thematic approach and offers an appropriate balance of explanatory text and secondary material accompanied by well-written notes. In addition to an experienced author team and well-edited cases, the book covers relevant statutes and court rules. New to the Fourth Edition: Updates regarding cutting-edge developments in case law, statutory materials, and academic commentary about due process, the right to counsel, searches and seizures, and the privilege against compelled self-incrimination An important reordering of certain areas of Fourth Amendment law and related materials to make them even more user-friendly Insightful examination of the turmoil in modern Fourth Amendment law as the Supreme Court, notably splintered over methods of constitutional interpretation, faces the implications of rapidly changing technology Professors and students will benefit from: A rigorous and challenging criminal procedure casebook with an outstanding author team Sound grounding of the law in criminal process and the right to counsel Thorough coverage of *Boyd v. U.S.*, The Fourth Amendment, The Fifth Amendment, and the process of investigating complex crimes Thematic organization of the cases and text that make the book both manageable and accessible The latest and most highly respected developments in legal scholarship that help both professors and students alike stay up-to-date in the field of criminal procedure law

### **Advanced Criminal Procedure in a Nutshell**

'International Criminal Procedure, edited by two insiders to international criminal proceedings, Professor Linda Carter and Professor Fausto Pocar, a judge at the ICTY and a former President of this Tribunal, is a coherently organized, well-researched, very informative and not the least elegantly-written contribution to a young and rapidly developing legal sub-discipline. The book provides its reader with a highly accessible and up-to date introduction into key elements of international criminal procedure as well as with critical commentary and rich inspiration for improvements of current practices.' – Claus Kreß LL.M. (Cantab.), University of Cologne, Germany and Institute for International Peace and Security Law 'This book addresses compelling issues that have come before international criminal tribunals. They include the self-representation of accused persons, plea bargaining and victim participation. It usefully approaches all of the issues and

problems from a comparative law perspective. This excellent and accessible work is essential reading for practitioners, faculty and students of international criminal law.' – Richard Goldstone, Retired Justice of the Constitutional Court of South Africa and for Chief Prosecutor of the United Nations International Criminal Tribunals for the former Yugoslavia and Rwanda The emergence of international criminal courts, beginning with the International Criminal Tribunal for the former Yugoslavia and including the International Criminal Court, has also brought an evolving international criminal procedure. In this book, the authors examine selected issues that reflect a blending of, or choice between, civil law and common law models of procedure. The issues include background on civil law and common law legal systems; plea bargaining; witness proofing; written and oral evidence; self-representation and the use of assigned, standby, and amicus counsel; the role of victims; and the right to appeal. International Criminal Procedure will appeal to academics, students, researchers, lawyers and judges working in the field of international criminal law.
