#### **Sefer Hasichos 5700 - English**

Talks by the Rebbe Rayatz in 5700, late 1939 to late 1940, for the first time in English. 1. Sichos delivered in winter in Europe 2. Sichos from his arrival in New York on March 19, 1940, until Rosh Hashanah eve. After surviving a lifetime of painful and life-threatening crisis, Yaakov Avinu "yearned to live a life of tranquility." Nevertheless, the A-mighty said: "Are tzaddikim not satisfied with what awaits them in the World to Come, and they also seek tranquility in this world?!" Likewise, the Previous Rebbe, went through more turbulence than tranquility. After torment, incarceration and capital sentence in Russia and other challenges in Latvia and Poland, he could have wanted to live a quiet life but he had yet to endure three months in the blockade of Warsaw, horrors of which are graphically described in chapter 8. After his remarkable release and a brief stopover in Latvia, he went from Europe through Sweden to America, which did not greet the Rebbe Rayatz with a smile in that the complacency of the Jewish communal establishment, including some the veteran chassidic migrants who, instead of working desperately to revive and actualize their Old World ideals, had allowed them to fade. Yet the Rebbe Rayatz never allowed his sense of trauma to paralyze his optimism, but rather it spurred him ahead to vigorous and pioneering outreach activity. Talks in this book were delivered in Riga, New York and Lakewood. They pulsate with creative and inspiring interpretations of Biblical and Talmudic teachings; heartwarming descriptions of incidents and encounters in Lubavitch; pungent admonition; candid childhood memories; energizing stories and oral traditions, and colorful personalities whose portraits spring into life.

#### **In Her Own Right--a Great Woman**

A "best of" compilation of Rav Sender's previous three Haggadah commentaries with added material, insights, stories and parables from great Torah luminaries.

#### **Making a Scene**

A translation of talks delivered by the Rebbe after the passing of his father-in-law and predecessor, Rabbi Yosef Y. Schneerson, in 1950.

#### **The Life of Jews in Poland Before the Holocaust**

With a new foreword and chapter that address the upheaval that followed the events of September 11, this revised edition of *Toward a Meaningful Life* traces the root causes of our fear and uncertainty and lucidly outlines strategies for recovery and redemption. Profound yet accessible to readers of all backgrounds and beliefs, *Toward a Meaningful Life* provides comfort and renewed hope, showing us how to find solace even as we endure overwhelming suffering and inexplicable loss.

Toward a Meaningful Life is a spiritual road map for living based on the teachings of one of the foremost religious leaders of our time: Rabbi Menachem Mendel Schneerson. Head of the Lubavitcher movement for forty-four years and recognized throughout the world simply as "the Rebbe," Menachem Mendel Schneerson, who passed away in June 1994, was a sage and visionary of the highest order. Although the Rebbe's teachings are firmly anchored in more than three thousand years of scholarship, the urgent relevance of these age-old truths to contemporary life has never been more manifest. The principles the Rebbe derived from the sages embody a distinctly universal message, calling for humankind at all times to lead productive and virtuous lives, and for unity among all peoples and all nations. The new chapter, "Upheaval and Change," guides us through the challenges of the new millennium. Toward a Meaningful Life gives modern readers -- even the most secular -- fresh perspectives on every aspect of their lives, from everyday cares to the most profound crisis of the soul. The book brings the Rebbe's perspective to the full range of life's cycles -- birth to death, youth to old age; marriage, love, intimacy, and family; the persistent issues of career, health, pain, and suffering; and education, faith, science, and government. We learn to bridge the divisions between accelerated technology and decelerated morality, between unprecedented worldwide unity and unparalleled personal disunity. At the threshold of a new world where matter and spirit converge -- an age of knowledge and information -- Toward a Meaningful Life proposes spiritual principles that unite people as opposed to the materialism that divides them. Guided by the wisdom of the sages, readers discover that we are indispensable and can and must make our unique indelible marks in our common future. A true leader, the Rebbe continues to lead us toward personal and universal redemption, toward a meaningful life, and toward God.

### Fiction

The Gutnick Chumash has gained wide acclaim as one of the favorite Chumashim available today. It incorporates a flowing English translation of the Torah which is loyal to Rashi. The 'Classic questions' are drawn from a range of commentators, Midrash and Talmud, which are then ingeniously brought together in the Toras Menachem commentary. It is the first Chumash to include a commentary anthologized from the works of the Lubavitcher Rebbe. The Chumash also boasts a large sampling of inspirational Chasidic thoughts and insights into the Parsha, as well as practical lessons for our daily lives. The diagrams, charts, and illustrations all add to make this the perfect Chumash for layman or scholar. Beautifully bound in a hand-tooled leather style cover, both inside and outside are sure to impress.

### United Synagogue Review

Women's seders have recently emerged as one of the most meaningful and popular rituals in contemporary Jewish life. These two books bring together the voices of over 150 Jewish women -- authors, scholars, activists, rabbis, artists, political leaders, and students -- to share new insights about Passover and to discuss the origins, evolution, and significance of women's seders. This first-of-its-kind resource provides in *The Women's Passover Companion* a complete exploration of the questions at the heart of this contemporary ritual, and in *The Women's Seder Sourcebook* over 200 texts and ideas for a women's seder and practical guidance for planning the event. These innovative readings can be easily incorporated into a family seder as well. -- Presents an inspiring collection of Jewish women's writings on Passover, the Exodus story, and women's seders. -- Provides readers with textual resources to compile their own women's Haggadah and a practical guide to planning a women's seder, based on information from successful seder organizers around the world. -- Offers a wide variety of women's writings that can be incorporated into the family seder to bring women's voices to the table. -- Includes a formal curriculum of texts, discussion questions, and writing exercises for further study, to transform the planning process for a women's seder into a community-building and Jewish learning experience.

### Like Bread on the Seder Plate

Everyone knows about Reb Shlomo Carlebach - or do they really? The singer, the guitarist, the composer: These are sides to Reb Shlomo that are well known, but few understood that he was, first and foremost, a great teacher of Torah. In fact,

"Torah for the masses" might have served as his slogan. Reb Shlomo knew better than anyone how to deliver the teachings of authentic Judaism to every individual. Just as his songs were the ones you wanted to hear, he taught Torah the way each of us needed to be taught. The Carlebach Haggadah is intended to carry on his work: It aims at delivering the message of Passover the way people need to hear it today. No single book can give more than a glimpse into Reb Shlomo's vast storehouse of knowledge and wisdom. All the same, this Haggadah has plenty to teach about God and the universe, man and his world, and a special blend of love and spirituality, a message unprecedented in our recent history.

## **The Women's Passover Companion**

## **The Promised Land**

"Hell is other people," Jean-Paul Sartre famously wrote in *No Exit*. The fantastic tragicomedy *Madah-Sartre* brings him back from the dead to confront the strange and awful truth of that statement. As the story begins, Sartre and his consort in intellect and love, Simone de Beauvoir, are on their way to the funeral of Tahar Djaout, an Algerian poet and journalist slain in 1993.

## **The Commentators' Seder**

Magnificent, beautiful, and dramatic--this haggadah is worthy of superlatives! The creative genius of Rabbi Baruch Chait, combined with the superb skill of master illustrator Gadi Pollack, make this haggadah one-of-a-kind. The realistic illustrations will.
