THIS BOOK CONTAINS 14PT FONT FOR EASIER READING. (THE AVERAGE BIBLE CONTAINS 6PT FONT LETTERING.) The Gospel According to Mark, the second book of the New Testament, is one of the four canonical gospels and the three synoptic gospels. It tells of the ministry of Jesus from his baptism by John the Baptist to his death and burial and the discovery of the empty tomb - there is no genealogy or birth narrative, nor, in the original ending at chapter 16, any post-resurrection appearances. It portrays Jesus as an heroic man of action, an exorcist, a healer, and a miracle worker. Jesus is also the Son of God, but he keeps his identity secret, concealing it in parables so that even the disciples fail to understand. All this is in keeping with prophecy, which foretold the fate of the messiah as Suffering Servant. The gospel ends, in its original version, with the discovery of the empty tomb, a promise to meet again in Galilee, and an unheeded instruction to spread the good news of the resurrection.

I've had feedback from students that they just want me to read them drug names and mnemonics so they can put in their earbuds before they go to bed before their board exams. I've got three five year olds, I don't have time to do the heavy lifting you all do as narrators. In Memorizing Pharmacology: A Relaxed Approach, which will sell over 6,500 audiobook copies in its first year, I only had the narrator complete 200 drug names in a seven hour book. There is a list of 350 later in the book, but I thought, who in the world would want to listen to 350 drug names in a row? So I omitted it. There was an answer to that rhetorical question, health professional students studying for a board exam that are exhausted from family, work, and school want to listen to it. This print, book, however, provides a journal for you to continue to add knowledge you pick up as you complete your pharmacology class, clinicals, or even an interesting commercial or YouTube video.

The importance of the Gospel of Matthew in church history cannot be overstated. For Jewish readers, it affirmed the Messiahship of Jesus, referring consistently to the Scriptures to establish his credentials. For Gentile disciples, it provided powerful and dramatic support of their inclusion in God's kingdom. The cross of Christ had removed the division between Jew and non-Jew, and through Matthew's writings, we see Israel's God drawing the entire world to himself through Jesus. "The Gospel according to Matthew . . . Was the most widely read and frequently used of any of the four Gospels in the formative years of the church," writes Michael Wilkins. In this volume of the NIV Application Commentary, Wilkins explains Matthew's broad appeal not only to his ancient readers, but also to us today. Exploring the links between the Bible and our own times, Wilkins shares perspectives on Matthew's Gospel that reveal its enduring relevance for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there,

assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable—but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our present-day context. It explains not only what the Bible meant but also how it speaks powerfully today. "This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible's timeless message speak to this generation." Billy Graham "It takes more than interpretation of God's Word to change lives, it takes application. Application is the bottom line in preaching and teaching. Without it, we've missed the point of the Bible. The NIV Application Commentary is an outstanding resource for pastors and anyone else who is serious about developing 'doers of the Word.'" Rick Warren, Pastor Saddleback Valley Community Church

Necessary reading for all who work in online learning in music, it also suggests important ways both to prevent problems and also to resolve those that do arise.
