Immortal Angel

Buckle up—the argeneaus are back in a sexy, witty new novel from New York times bestselling author Lynsay Sands Dante Notte has heard it said that love hurts. He just wasn't expecting it to run him over in an RV. Still, a punctured lung and broken ribs are nothing compared to the full-body shock he feels whenever he's near the vehicle's driver, Mary Winslow. He needs to keep her safe from their pursuers while he rescues his brother. Most challenging of all, he needs to claim this smart, stubborn woman as his life mate. The naked, injured, insanely gorgeous younger man who clambered into her RV insists they belong together. If Mary wasn't

feeling their incredible connection in every inch of her being, she wouldn't believe it. But now that the men who took Dante's twin are after her too, trusting her gut means risking her life for an immortal who's the very definition of a perfect stranger.

The Bite Before Christmas

FATE GAVE HER FANGS Ever since an accident turned her into a knockout vamp, Elvi Black's been catching her z's in a coffin, staying out of the sun, and giving up garlic. She knows there's more to being undead than what she saw in Dracula, but she can't very well ask her mortal friends about proper biting etiquette. But when her neighbors placed a personal ad for her in the local paper, she never imagined she'd meet Victor Argeneau, a vampire who could have his pick of women - dead or alive. HE'LL SHOW HER HOW TO USE THEM Rich, powerful, and drop-dead gorgeous, Victor's the perfect man for a novice neck-biter like Elvi. He's willing to teach her everything he knows, but he'll have to do it fast. Someone's out to put a stake through her new vamp life, and only Victor can keep her safe - and satisfied - for all eternity.

Runaway Vampire

Even vampires need a vacation. But Decker Argeneau's ends abruptly when he's asked to help hunt the group of rogue vampires targeting mortals -- one that might include a defector in his own family. Before he can worry about that, though, he's got to rescue the latest victim. It's all part of the job,

including taking a bullet for a beautiful doctor. Dr. Danielle McGill doesn't know if she can trust the man who just saved her life. There are too many questions, such as what is the secret organization he says he's part of, and why do his wounds hardly bleed? However, with her sister in the hands of some dangerous men, she doesn't have much choice but to trust him. Except now Decker's talking about life mates and awakening a passion that's taking Dani beyond anything she's ever known. Being undead may not be half-bad especially if it means spending forever with a man who would love her with his mind, body, and immortal soul.

Devil of the Highlands

After seven hundred years of life, Marguerite Argeneau finally has a career. Well, the start of one, anyway. She's training to be a private investigator, and her first assignment is to find an immortal's mother. It seemed simple enough, until Marguerite wakes up one evening to find herself at the wrong end of a sword. Now she realizes she's in way over her head. Julius Notte wants to protect Marguerite, and not because someone just tried to take her head off. She doesn't know it yet, but she's his lifemate and he's determined to woo her. It's been over five hundred years since he last courted a woman, but surely the techniques haven't changed. Now if only he can keep her alive—so to speak—so they can have that happily-ever-after.

Tall, Dark & Hungry

Valoree no longer has to masquerade as her murdered brother and scourge the oceans as Captain Red. She no longer has to command his pirate band in a quest to regain his birthright. She has been named heir to Ainsley Castle. But no executor would ever hand over the estate to an unmarried pirate wench and her infamous crew—no matter to whom she'd been born. And the will distinctly states that in order to inherit, Valoree must be married to a nobleman . . . and pregnant. Upon learning that, the virgin captain is ready to return to the seas—but her crew has other ideas— and for those rascally cusses she would do anything. If they could find a way to put on her a sweet face that would fool the ton, she would handle the rest, even with a drunken prostitute as an “aunt” and her merry cutthroat crew as “servants.” But to herself she swears one thing: she will only marry a man who fires her blood, a man who is not afraid of a . . . With every touch, Radcliffe seemed unknowingly to incite indecent desires in Charlie, and his fraternal intent was certain to land her in a fine mess. The Jackal

Two Scottish cousins--bound by far more than blood ties and the rugged Highlands their clan calls home--must break an ancient curse by marrying outsiders. But, a battle soon erupts as the future of the cursed clan hangs in the balance.

Love is Blind

Roundhouse Publishing editor Kate C. Leever's first letter to her new author was meant to impress upon him the growing demand for vampire romances. And even though he'd expressed little-to-no desire for any publicity, book tours, or similar, it was clear this was an author just waiting to be broken out - despite himself, if necessary. When she suggested attending a romance convention his response - unusually quick to arrive - was succinct: 'No.' But Kate was adamant: Mr Lucern Argeneau was going to attend a romance convention and meet his fans. By hook or by crook, despite his reclusive nature and odd sleep patterns, the surly yet handsome author would attend. And she was sure that, once there, he would reveal himself to be a true charmer. Of course, that was before she realised that his 'romances' were more like biographies, and it's literally her neck on the line **SINGLE WHITE VAMPIRE** is a hilarious romantic comedy where a vampire finds his habits of a lifetime overturned and an unlikely romance blooms.

Vampires Are Forever

Inez Urso is beginning to have her doubts. Helen can't refuse a royal decree, but she'll do everything possible to drive away her devilishly attractive husband-to-be. Holden has faced all manner of horrors on the battlefield. Okay, so Vincent's had four hundred years to perfect his kissing skills, and he does look rather tempting when he runs around the house shirtless. He's also charming, protective . . . did we mention he can kiss? Jackie needs to be on her guard, or else she'll have to come up with a new rule: If you're going to fall in love with a vampire, make sure it's a bite to remember.
