## **Church Doctrine, Bible Truth**

A leading biblical scholar's landmark work challenges the historical realism that has dominated the discipline for more than two centuries How can a modern person, informed by science and history, continue to recite the traditional creeds and confessions of the Christian church? What does the Bible mean and how do we verify biblical truths? In this groundbreaking book, a leading biblical scholar urges readers to be more creative interpreters of biblical texts, mapping out an alternative way of reading that is not first and foremost about understanding what those texts would have meant for the original authors and readers. Limiting our study to the ancient meaning of the text, he argues, has produced either bad history, or bad theology, or both. One cannot derive robustly orthodox Christian doctrine or theology from a mere "historical" interpretation of the Bible. Martin offers instead theological readings of the New Testament that are faithful to Christian orthodoxy as generally understood, but without attempting a "foundationalist" understanding of the meaning of the text. His provocative and ambitious book demonstrates how theology and scripture can remain vital in the twenty-first century.

They are simple phrases. They sound Christian—like something you might find in the Bible. We've all heard these words. Maybe we've said them. They capture some element of truth, yet they miss the point in important ways. Join Adam Hamilton in this 5-week Bible study to search for the whole truth by comparing common Christian clichés with the wisdom found in Scripture. The clichés include: Everything happens for a reason. God helps those who help themselves. God won't give you more than you can handle. God said it, I believe it, that settles it. Love the sinner, hate the sin.

Basic Bible Truths is a proven soul-winning and evangelism tool. This systematic and thorough way of presenting Christ in six one-hour lessons reduces false professions. It will equip you to reach more souls, especially those who have little knowledge of true Christianity or who are hard to reach or skeptical. This self-explanatory teacher's manual has been used in all states in the USA and in 46 other countries. The memberships of several thriving churches consist almost exclusively of those who have been won to Christ using this method. Basic Bible Truths is particularly suited for missionaries who seek to penetrate a new culture. Basic Bible Truths addresses the soul-winner, the person who would acquaint lost people with the gospel message. This teacher's manual will equip you to teach six one-hour Bible lessons which systematically set forth the authority and trustworthiness of the Bible, the desperate spiritual condition of all who have not come to Christ and the fact that God's salvation is a matter of grace and not works. The entire third lesson is devoted to the person and work of Jesus Christ and why He alone can save sinners. The fourth lesson brings the sinner to the bar; he must decide what he will do with Jesus Christ. Hundreds have trusted Christ during this lesson which explains faith and what it means to believe in Christ. Lessons five and six explain the difference between relationship and fellowship, the priesthood of every believer and why love should be the singular motive of all saved people. They also explain baptism, the merits of church membership and why all saved people are to live right and be servants of God. They are designed to get new believers into the church where they can be nurtured and mentored. These lessons are to be taught one-on-one in the home or other suitable, private settings. This teacher's manual is concise and full of instructions and practical teaching tips. Each lesson has an instructional chart and a concise teaching outline. One chapter explains how to present Christ when you have only one brief opportunity. Another chapter outlines a step-by-step training course for those who wish to master and use these lessons.

Feel the breeze off the azure sea and the warmth of the golden sun. Visit the serene and shaded solitude of olive groves and deserted courtyards. Learn what the mute ruins of ancient temples have to say. Dr. Stewart Custer's photographic masterpiece, *Stones of Witness: Images of the Holy Land*, provides an alternative to actually touring the Middle East. This magnificent collection includes photos of rural and metropolitan areas, archeological finds, foliage, and Bible landmarks. Minimal text enables readers to connect pictures with biblical significance. *Stones of Witness* brings you close enough to hear the heartbeat of this ever-captivating place we know as the Holy Land. An accompanying interactive CD multiplies the versatility and attractiveness of this outstanding book, enhancing its practicality for use in presentations and classroom study, as well as personal research.

## **Foundational Truths for Christian Living**

For those who yearn for a deeper walk in faith, their journey can begin here. Dr. Sproul takes theology down off of the dusty shelves of theological libraries and expounds in clear and simple terms over one hundred major Christian doctrines. He offers readers a basic understanding of the Christian faith that will kindle a lifelong love for truth, which is foundational to maturity in Christ. Here are theologically sound explanations of the biblical concepts every Christian should know, written in a way that we can all understand. Sproul's homespun analogies and illustrations from everyday life make this book interesting, informative, and easy to read.

## **Basic Bible Truths**

This volume by Dr. Thomas R. Schreiner on the interplay between Christianity and biblical law is an excellent addition to the 40 Questions & Answers series. Schreiner not only coherently answers the tough questions that flow from a discussion about the Old Testament Levitical Law, but also writes clearly and engagingly for the student. The pastor, student, and layperson can easily understand Schreiner's biblical theology of the Law.

## **Half Truths**

Are science and religion hopelessly at odds with one another in their view of truth? Not if you read physicist Michael Guillen's new book on truth, which shows that the two sources of truth, scientific and religious, are not opposed but in surprising agreement.

The King James Bible for ebook readers, desktops, tablets and phones. Including Old Testament and New Testament, this is a wonderful tool that keeps the scriptures at your fingertips. The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew text, and the Apocrypha from the Greek Septuagint (LXX), except for two Esdras from the Latin Vulgate.

## **Bible Truths Level 2**

Roseline Gaston Rabouin is a missionary woman; she is filled with wisdom, love, humility. She is a devoted servant of God. Engaged in Bible studies and researches, she dedicates a great deal of her time for the Holy Scriptures trying to unveil God's profound secrets, which must be disclosed according to God's will at the end of times, as he commanded Daniel, and John in Revelation. Submitted to the Spirit of God, she is working passionately to satisfy the strict requirements of the Holy Bible where abounds the word of God. In this way this book is available to all those who are interested and who believe, like Jesus said in John 3:16; Mc. 16:16. This manual is then intended to help you to discern clearly the will of the LORD God, his plan which he has had from the creation of the world. Be wisely curious; read this book, search; and God's Spirit will provide for you. As regards sister Roseline, if she should give her last breath into the "holy inquisitiveness" studying the Holy Scriptures or preaching God's word, one may trust that she would feel quite simply pleased. Once again, this piece of work is to serve you: take advantage of it while it is still time. Written by her beloved brother Wilhelm Gaston 2 chr. 7:14

## **40 Instant Studies**

This paradigm-shifting book helps believers understand the process of being transformed by God's grace and truth, and challenges them to be a part of the process of discipleship in the lives of their fellow brothers and sisters in Christ. Counseling One Another biblically presents and defends every believer's responsibility to work toward God's goal of conforming us to the image of His Son—a goal reached through the targeted form of intensive discipleship most often referred to as counseling. All Christians will find Counseling One Another useful as they make progress in the life of sanctification and as they discuss issues with their friends, children, spouses, and fellow believers, providing them with a biblical framework for life and one-another ministry in the body of Christ.

## **Science and Health with Key to the Scriptures**

In just fifteen minutes a day, you can master the 52 most important verses in the Bible in a year. While there are lots of one-year Bible reading plans, few help you understand the words that you're reading. What if we could introduce you to a Bible reading plan that would dramatically increase your mastery of the Bible in one year? Mark Moore coaches you through 52 of the Bible's most important verses. These are the "core" of the Bible. Each verse clears the path to master and manage dozens of other verses that run along the same principle path. At the end of this journey, you will move from curiosity about

the Bible to competence in the Bible. It is the quickest onramp to understanding the whole of God's Word for your life.

## **Amazing Truths**

The CSB Rainbow Study Bible (useful for women and men) features a unique color-coding system that allows readers to quickly and easily identify twelve major themes of Scripture throughout the biblical text: God, discipleship, love, faith, sin, evil, salvation, family, outreach, commandments, history, and prophecy. The study Bible's system also underlines all the words directly spoken by God, Jesus, and the Holy Spirit. The Rainbow Study Bible is the No. 1 fully color-coded Bible with more than 3 million combined units sold! The features of this Christian rainbow Bible include: 12-pages of color maps with index, a Bible reading calendar, Concordance, Subject guide, Outline of Old Testament History, "Where to Find It," "Know What God Says," Table of Weights and Measures, "100 Popular Bible Passages," and "365 Popular Bible Quotations for Memorization and Meditation," and more. The CSB Rainbow Study Bible is comparable to the NIV Rainbow Study Bible but this CSB Study Bible features the highly readable, highly reliable text of the Christian Standard Bible (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

## **Biblical Doctrine**

THE BIBLE: ERRORS! MISTAKES! INCONSISTENCIES! CONTRADICTIONS! Critics claim that the Bible is filled with so-called errors, mistakes, inconsistencies, and contradictions. Some even speak of thousands of errors. The truth is there is not even one demonstrated error in the original text of the Bible. Of course, we would never say that there are no difficulties in our Bibles. The Bible is loaded with thousands of difficult, challenging passages, many of which become obstacles in the development of our faith. These difficulties arise out of differences in culture, language, religious and political organizations, not to mention between 2,000 to 3,500 years of separation between the Bible author and the modern-day reader. Calling attention to these difficulties and sifting out the misconceptions, Andrews defends the full inerrancy of the Bible, clarifies the so-called errors or mistakes and what might seem like apparent contradictions. He arms the Christian with what he or she needs to defend their faith in the Bible. Honestly, whenever Christians find a difficulty in the Bible, frankly, acknowledge it. Do not try to obscure it. Do not try to dodge it. Herein is the defense of God's Word that Christians have been waiting for.

## **A Christian View of the Bible as Truth**

In -God is One & Christ is All- the original apostle's view of Jesus Christ and his relationship to God is set forth and declared over and against the Trinity dogma. This book thoroughly exposes, in understandable language, the un-biblical nature of

the Trinity. The development of the Trinity is called to account for adopting pagan, philosophical and even anti-Christian (Gnostic) views of God and Christ. The concepts underpinning the Trinity are openly listed and dealt with and compared with Biblical concepts. Ultimately, the evidence presented proves conclusively that the Trinity dogma is not a Biblical dogma. Rather, it is a man-made falsehood that is contrary to the Jesus that the apostles admonished all men to believe in for salvation. In particular the Bible clearly describes 1) God's immaterial characteristics, 2) God's descriptive names, 3) God's passion for His people, and 4) God's absolute foreknowledge. The anti-Christians rejected each one of these biblical concepts and replaced them with pagan and philosophical views. Those non-biblical views see God, instead, as 1) having a corporeal nature, 2) being unnamable (or ineffable), 3) incapable of any passion, and 4) that the divine realm is occupied with multiple, pre-existent, divine persons. In developing the Trinity dogma, men such as Justin Martyr, Tertullian, Origen, Athanasius and many others absolutely rejected the simple, biblically described, apostolic view of Christ. The ultimate goal for this book, of course, is to restore believers in Christ to the simple, pure, undiluted faith once delivered by Jesus Christ through his apostles.

### **Big Book of Bible Truths 2**

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well

as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

## **Counseling One Another**

The Bible contains more mind-blowing information than most of us can possibly imagine. And it's anything but trivia. It's tons of Biblical facts and big yet neglected ideas, that we all need to know and understand. Here are just a few examples: Did you know the Bible is the likely origin for the fear of the number 13 as well as Friday the 13th? Are you aware that some prayers are actually detestable to God? Did you have any idea that important Bible themes are secretly embedded inside famous Hollywood movies such as "The Matrix," "Star Wars," "The Big Short," "Blade Runner," "The Shawshank Redemption," "Groundhog Day," "The Truman Show," "The Walking Dead," and many others? These are just some of the surprising issues addressed in the highly anticipated Shocked by the Bible 2. Here are some others: The disturbing truth behind the little drummer boy; the horrifying origin of Yule logs; God's serious problem with "every green tree" used to worship him; the Bible's most shocking statement, and why it's avoided and suppressed by most pastors; Satan's destiny—it's is not what most people think; the three words of Jesus that most Christians don't believe; the destiny of unrepentant evildoers—it's completely different from what most churches teach; the resurrection that no one talks about; Judgment Day—it does NOT mean that everyone is thrown into a fire; the important reason why God allows evil, and many pastors don't even know what it is. In a fascinating, highly readable new sequel to his bestselling Shocked by the Bible (Thomas Nelson, 2008), author Joe Kovacs not only gives us key, meaty Biblical facts and ideas, but he connects the scriptural dots. Result? Readers can grow spiritually and perfect their personal characters. Most important, readers can come to a greater understanding about what God intends for us--eternal life, provided we adhere to the Bible's code for living in this, our physical world.

## **The Big Book of Bible Truths 1**

This book is a "grace bomb" serving to obliterate several extremely prevalent legalistic and destructive doctrines in the Body of Christ today. Jesus promised that if we knew the truth it would make us free. Sadly, many Christians are anything but free in their relationship with God and life as a whole. Very often, before we can construct correct beliefs we first must deconstruct some incorrect beliefs. This book will do just that! It will not only systematically tear down some of the walls of bondage built up in the minds of Christians all over the world but it will also reconstruct strongly fortified walls of truth! This

book will relate to Christians of all backgrounds, spiritual levels, and walks of life! So buckle up! Jesus promised that the truth would make us free but He didn't say that it wouldn't be a bumpy ride!

### **Biblical Truths**

### **Desiring God**

Do you find yourself always struggling with two sides of an issue? Do some of the key truths of Christianity seem mutually exclusive? Don't be surprised! All of life - including Christian life - is lived between truths, none of which may be relinquished. Both the Bible and theology acknowledge that life is filled with tensions that do not permit easy answers. In 'Between Two Truths', theologian Klyne Snodgrass presents a readable biblical approach to understanding such tensions. He argues, in fact, that they are a wellspring of peace and creativity for anyone dedicated to walking in the footsteps of Jesus. This book addresses the tensions all Christians face, dealing with all the peaceful and creative tensions that are part of the fabric of Christian faith. This book does not give simplistic answers to difficult questions; rather, it invites the reader to celebrate the rich and vibrant tensions of God's eternal truth.
