This Is Not 'The End' helps those in a miserable part of a really crappy chapter in their life to see that their life is not ruined, and better days are ahead. Nina Sossamon-Pogue, former world-class gymnast and award-winning television personality turned successful corporate executive, pulls from decades of high, lows, and public pain to write This Is Not 'The End'. It became the resource Nina needed when she

thought her life was over and sometimes wished it was. In This Is Not 'The End', Nina shares candid stories of her own journey toward healing after a series of traumatic events. She uses the wisdom gained from her experience, combined with proven and practical tips, to show those going through a difficult time how to: Figure out where to put this event in their head Create the script that will protect them in public Assess which people and places are helping or hurting them Learn how to look at a traumatic event as a fraction of their life story Understand that even the most public pain (television trucks on the front lawn) comes and goes Practice the mental gymnastics needed to get them to the next chapter (yes, there is a next chapter!)

Volume II of PEE WEE, Serial Killer or Homicidal Maniac, focuses on the courtroom drama of his several trials and appeals. Readers that enjoy trial strategy, courtroom personalities and the cloakroom maneuvering of the criminal courts will find a plethora of intriguing twists and turns. Seemingly foregone outcomes are reversed by national events or by the local politics of the farmlands of South Carolina that stubbornly resist change. It is replete with excerpts from actual trial transcriptions and transcripts of out of court statements given under oath. Despite his numerous murder convictions Gaskins manages time and again to avoid the death penalty in real life by virtue of unexpected events that could seemingly occur only in fiction. Told by an attorney intimately involved in the cases, there are pithy descriptions of

battles fought in and out of the courtroom on the one hand and on the other of the camaraderie between adversaries. Both often lead to unpredictable outcomes. Pee Wee Gaskins describes the murders to which he will plead guilty in his own words. At the same time by either omission or outright lies, he avoids the inclusion of those murders for which he does not want to admit responsibility. Finally, in one of the most incredible crimes imaginable, the tiny killer foils the safeguard systems of a maximum security penitentiary to murder a fellow death row inmate with plastic explosives.

The civil rights era in the United States was a turbulent time of struggle and protest, with groups making history all across the nation. African American police officers in Charleston were immersed in their own battle to integrate local law enforcement agencies. These pioneers endured hatred and resentment within the department and sometimes from those they were sworn to protect. Lieutenant Eugene Frazier, Detective George Gathers and others fought the establishment while climbing the ranks to solve some of the toughest crimes that Charleston has ever seen. Join Frazier as he recounts the true
