The Book of Names

First Time Available! Following the USA Today bestseller, *Lost and Found Sisters*, comes *Rainy Day Friends*, Jill Shalvis' moving story of heart, loss, betrayal, and friendship. Six months after Lanie Jacobs' husband's death, it's hard to imagine anything could deepen her sense of pain and loss. But then Lanie discovers she isn't the only one grieving his sudden passing. A serial adulterer, he left behind several other women who, like Lanie, each believe she was his legally wedded

wife. Rocked by the infidelity, Lanie is left to grapple with searing questions. How could she be so wrong about a man she thought she knew better than anyone? Will she ever be able to trust another person? Can she even trust herself? Desperate to make a fresh start, Lanie impulsively takes a job at the family-run Capriotti Winery. At first, she feels like an outsider among the boisterous Capriottis. With no real family of her own, she's bewildered by how quickly they all take her under their wing and make her feel like she belongs. Especially Mark Capriotti, a gruffly handsome Air Force veteran turned deputy sheriff who manages to wind his way into Lanie's cold, broken heart—along with the rest of the clan. Everything is finally going well for her, but the arrival of River Green changes all that. The fresh-faced twenty-one-year old seems as sweet as they come...until her dark secrets come to light—secrets that could destroy the new life Lanie's only just begun to build.

We were only three angry high school girls, to begin with. Alix, the hot-tempered surfer chick; Stephanie, the tree-hugging activist; and me, Meg, the quiet foster kid, the one who never quite fit in. We hardly knew each other, but each of us nurtured a burning anger: at the jerks in our class, at our disappointing parents, at the whole flawed, unjust world. We were only three angry girls, simmering uselessly in our ocean-side California town, until one day a mysterious, beautiful classmate named Ambrosia taught us what else we could be: Powerful. Deadly. Furious. Yes, that's us. The three Greek Furies, come to life, ready to take our revenge on everyone who deserves it. And who doesn't deserve it, really? We're done with chances. We are angry. The Furies have come to town. Jill Wolfson's *Furious* is an enthralling retelling of Greek myth.

Don't Want to Miss a Thing

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE, THE HUFFINGTON POST, AND SHELF AWARENESS

- “In Hausfrau, Anna Karenina goes Fifty Shades with a side of Madame Bovary.”—Time
- “A debut novel about Anna, a bored housewife who, like her Tolstoyan namesake, throws herself into a psychosexual journey of self-discovery and tragedy.”—O: The Oprah Magazine
- “Sexy and insightful, this gorgeously written novel opens a window into one woman’s desperate soul.”—People

Anna was a good wife, mostly. For readers of *The Girl on the Train* and *The Woman Upstairs* comes a striking debut novel of marriage, fidelity, sex, and morality, featuring a fascinating heroine who struggles to live a life with meaning. Anna Benz, an American in her late thirties, lives with her Swiss husband, Bruno—a banker—and their three young children in a postcard-perfect suburb of Zürich. Though she leads a comfortable, well-appointed life, Anna is falling apart inside. Adrift and increasingly unable to connect with the emotionally unavailable Bruno or even with her own thoughts and feelings, Anna tries to rouse herself with new experiences: German language classes, Jungian analysis, and a series of sexual affairs she enters with an ease that surprises even her. But Anna can’t easily extract herself from these affairs. When she wants to end them, she finds it’s difficult. Tensions escalate, and her lies start to spin out of control. Having crossed a moral threshold, Anna will discover where a woman goes when there is no going

back. Intimate, intense, and written with the precision of a Swiss Army knife, Jill Alexander Essbaum's debut novel is an unforgettable story of marriage, fidelity, sex, morality, and most especially self. Navigating the lines between lust and love, guilt and shame, excuses and reasons, Anna Benz is an electrifying heroine whose passions and choices readers will debate with recognition and fury. Her story reveals, with honesty and great beauty, how we create ourselves and how we lose ourselves and the sometimes disastrous choices we make to find ourselves. Praise for Hausfrau "Elegant . . . There is much to admire in Essbaum's intricately constructed, meticulously composed novel, including its virtuosic intercutting of past and present."—Chicago Tribune "For a first novelist, Essbaum is extraordinary because she is a poet. Her language is meticulous and resonant and daring."—NPR's Weekend Edition "We're in literary territory as familiar as Anna's name, but Essbaum makes it fresh with sharp prose and psychological insight."—San Francisco Chronicle "This marvelously quiet book is psychologically complex and deeply intimate. . . . One of the smartest novels in recent memory."—The Dallas Morning News "Essbaum's poignant, shocking debut novel rivets."—Us Weekly "A powerful, lyrical novel . . . Hausfrau boasts taut pacing and melodrama, but also a fully realized heroine as love-hateable as Emma Bovary."—The Huffington Post "Imagine Tom Perrotta's American nowheresvilles swapped out for a tidy Zürich suburb, sprinkled liberally with sharp riffs on Swiss-German grammar and European hypocrisy."—New York From the Hardcover edition.

Cold Hands, Warm Heart

The battle for Lira's life, for Reyker's soul, and for their peoples' freedom has only just begun

Then, before the women can successfully escape, winter sets in and there is no way back to the mainland. They are stuck with the MacLachlans--two brothers and two unruly kids. Heroic Measures

“Jill McCorkle has long been one of our wryest, warmest, wisest storytellers. In Hieroglyphics, she takes us on through decades, through loss, through redemption, and lands in revelation and grace. As always with McCorkle, the story feels so

effortless and true that we might well miss what a high-wire act she's performing. But make no mistake: She's up there without a net, she never misses a step, and it's spectacular." —Rebecca Makkai, Pulitzer Prize finalist for *The Great Believers*

Lil and Frank married young, launched into courtship when they bonded over how they both—suddenly, tragically—lost a parent when they were children. Over time, their marriage grew and strengthened, with each still wishing for so much more understanding of the parents they'd lost prematurely. Now, after many years in Boston, they have retired in North Carolina. There, Lil, determined to leave a history for their children, sifts through letters and notes and diary entries—perhaps revealing more secrets than Frank wants their children to know. Meanwhile, Frank has become obsessed with what might have been left behind at the house he lived in as a boy on the outskirts of town, where a young single mother, Shelley, is just trying to raise her son with some sense of normalcy. Frank's repeated visits to Shelley's house begin to trigger memories of her own family, memories that she'd rather forget. Because, after all, not all parents are ones you wish to remember. *Hieroglyphics* reveals the difficulty of ever really knowing the intentions and dreams and secrets of the people who raised you. In her deeply layered and masterful novel, Jill McCorkle deconstructs and reconstructs what it means to be a father or a mother, and what it means to be a child piecing together the world all around us, a child learning to make sense of the hieroglyphics of history and memory.

Carried Away

Braced

14-year-old Amanda is a competitive gymnast, sleek-muscled and in perfect health. 15-year-old Dani has been in and out of hospital all her life. The two girls have never met but their lives are about to collide. Amanda suffers a blood clot during a competition and dies and the donation of her heart means renewed life for Dani.

What I Call Life

I haven't even explained yet about the Knitting Lady. Who is she? How did I wind up on her doorstep? How did I meet the other girls who became my friends—no, they became more than friends—despite the fact that they drove me absolutely crazy. I need to take a giant step back, return myself to the police car and explain how I, Cal Lavender, came to be living a life that wasn't my own. A witty and moving first novel that uncovers another side of the foster-care system Cal Lavender is perfectly happy living her anonymous life, even if she does have to play mother to her own mother a whole lot more than an eleven-year-old should. But when Cal's mother has one of her "unfortunate episodes" in the middle of the public library, she is whisked off by the authorities and Cal is escorted to a seat in the back of a police car. On "just a short, temporary detour from what I call life," Cal finds herself in a group home with four other girls, watched over by a strange old woman everyone refers to as the Knitting Lady. At first Cal can think of nothing but how to get out of this nuthouse. She knows she doesn't belong there. But it

turns out that all the girls, and even the Knitting Lady, may have a lot more in common than they could have imagined. A fresh new voice in middle-grade fiction—Jill Wolfson's unforgettable characters will blunder their way into readers' hearts.

Invisible Girl

This book presents the story of a unique collection of 140 manuscripts of 'learned magic' that was sold for a fantastic sum within the clandestine channels of the German book trade in the early eighteenth century. The book will interpret this collection from two angles - as an artefact of the early modern book market as well as the *longue-durée* tradition of Western learned magic -, thus taking a new stance towards scribal texts that are often regarded as eccentric, peripheral, or marginal. The study is structured by the apparent exceptionality, scarcity, and illegality of the collection, and provides chapters on clandestine activities in European book markets, questions of censorship regimes and efficiency, the use of manuscripts in an age of print, and the history of learned magic in early modern Europe. As the collection has survived till this day in Leipzig University Library, the book provides a critical edition of the 1710 selling catalogue, which includes a brief content analysis of all extant manuscripts. The study will be of interest to scholars and students from a variety of fields, such as early modern book history, the history of magic, cultural history, the sociology of religion, or the study of Western

esotericism.

A runaway seeks Harper Lee for answers Sometimes the things that need to be

discovered aren't so easily found at home. Erin is certain that this is true in her case. A book is all that connects Erin to her mother, who died when she was a baby. But how much can Erin really learn about her mother from a tattered copy of *To Kill a Mockingbird*? On the eve of her sixteenth birthday, Erin decides it's finally time to find out. And so begins her bus journey from Minnesota to Alabama in search of Harper Lee, the reclusive author of *To Kill a Mockingbird*. In a novel full of quirky characters, strange coincidences, and on-the-road adventures, *In Search of Mockingbird* by Loretta Ellsworth deftly traces a unique voyage of self-discovery, perfect for fans of *To Kill a Mockingbird* and *Go Set a Watchman*. "Light, contemporary quest story . . . Suggest this as a follow-up to Lee's classic novel." —Booklist "Erin's journey of self-discovery gives her the courage to confront her own failings and the maturity to accept her father's plans to marry. . . . Readers will root for her while reaching for a copy of *To Kill a Mockingbird*." —Publishers Weekly "Ellsworth makes Erin's unlikely coming-of-age trip convincing. Designed to look like an old journal, the story's searching-for-mother theme should make it especially appealing to older fans of Kate DiCamillo's *Because of Winn Dixie* (2000) and Phyllis Reynolds Naylor's *Alice Books*. An engaging road trip." —Kirkus Reviews

apex of excess on Wall street. Sure, Holly loves being a stay-at-home mom and keeping house accounts at all the best places, but there are some downsides to being Mrs. Hedgefund. Even botox can't beautify her mother-in-law's withering stares, and her husband, Tim, is away so often it feels like she's single again. So when it turns out that not all of Tim's trips have been for business, the newly minted divorcée ventures beyond the Upper East Side and finds that sometimes exes have all the fun. Impeccably rendered with wit and style, *The Ex-Mrs. Hedgefund* is an old-fashioned love story and a celebration of New York-in any economy.

The End of Desire

The new novel from Jill Wolfson—an exciting, fresh voice in middle-grade fiction Whitney has been in so many foster homes that she can give a complete rundown on the most common varieties of foster parents—from the look-on-the-bright-side types to those unfortunate examples of pure evil. But one thing she doesn't know much about is trees. This means heading for Foster Home #12 (which is all the way at the top of the map of California, where there looks to be nothing but trees) has Whitney feeling a little nervous. She is pretty sure that the middle of nowhere is going to be just one more place where a hyper, loud-mouthed kid who is messy and small for her age won't be welcome for long. Jill Wolfson has woven together

the stories of an irrepressible foster child and a deeply divided small town with incredible humor and compassion.
