Draw 50 Monsters

In this coming-of-age romance perfect for fans of Jenny Han and Sarah Dessen, scandal and romance collide when an ambitious teen returns to her hometown only to have her plans interrupted after falling for the town's "bad boy"—a.k.a. her childhood best friend. Sometimes to find the good, you have to embrace the bad. Budding photographer Josie Saint-Martin has spent half her life with her single mother, moving from city to city. When they return to her historical New England hometown years later to run the family bookstore, Josie knows it's not forever. Her dreams are on the opposite coast, and she has a plan to get there. What she doesn't plan for is a run-in with the town bad boy, Lucky Karras. Outsider, rebel...and her former childhood best friend. Lucky makes it clear he wants nothing to do with the newly returned Josie. But everything changes after a disastrous pool party, and a poorly executed act of revenge lands Josie in some big-time trouble—with Lucky unexpectedly taking the blame. Determined to understand why Lucky was so quick to cover for her, Josie discovers that both of them have changed, and that the good boy she once knew now has a dark sense of humor and a smile that makes her heart race. And maybe, just maybe, he's not quite the brooding bad boy everyone thinks he is...

The Morganville Vampires, Volume 2

Daylighters

Before he was freed by Neferet, Kalona was imprisoned within the earth for centuries because of the Darkness in his heart. But what happened to the Other World's Kalona? It's as though he's been forgotten, or maybe he never existed at all. In the present, Other Neferet may have left her House of Night, but she has far from given up her goal of immortality and world domination. As she operates in secret to gain access to Old Magick, the new High Priestess, Anastasia Lankford, works toward peace and acceptance for the vampyres of the Other World. But just as Other Kevin's broken heart will take time to heal, peace in that world will also take time and work—and not all of the Other World vampyres want peace. After all, why should they return to being shunned by humans, especially when they've had a taste of how it feels to be in power? Meanwhile, Zoey is desperate to help rid the Other World of Neferet once and for all, and not knowing what's going on over there is eating away at her. But, as the Nerd Herd warns, it's far too dangerous to call on Old Magick time and again. As a distraction, she throws herself into her work and attempts to bring the humans and vampyres of Tulsa closer together with the first human-vampyre swim meet in history! It's too bad that something always seems to go wrong whenever the stakes are high. What happens when worlds clash and powers that should be left alone are awakened? Can Other Kevin and his world heal from the wounds Neferet continues to inflict? Can Old Magick ever truly be harnessed and used for good? Or will Darkness extinguish Light and leave our heroes broken, hopeless, and as forgotten as Kalona of the Silver Wings? Don't miss this second to last volume in the House of Night Other World saga!
