Aftermath Entertainment Artists

A reference guide to the decade's top trends, performers, and sounds, reviews the most influential albums, provides biographical overviews of key artists, and considers how technology and the Internet have impacted the industry.

Copyright's Excess

Provides a detailed account of the rap musician's childhood and early career from the perspective of his mother, including behavioral problems and depression in his youth and his fabricated past that slandered his mother.

Eminem

Are you the world's biggest Eminem fan? Or do you want to know everything there is to know about the rapper and best-selling artist of the last decade? If so, then this is the book for you! Contained within are 101 amazing facts about everything, from his upbringing as Marshall Mathers III, how he got started in the music industry, his rocky relationship with Kim and much more. The book is easily organised into sections so you can find the information you want fast and is a great addition to any bookshelf.

Eminem: The Real Slim Shady

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online.

Pages: 30. Chapters: Rappers from St. Louis, Missouri, Nelly, Eminem, Akon, Kutt Calhoun, Tech N9ne, Fat-Tone, J-Kwon, Murphy Lee, Prince Ea, Chingy, Flame, Huey, Jibbs, Ali, City Spud, Young Spiffy, Spaide R.I.P.P.E.R., Chingy Paperman single. Excerpt: Marshall Bruce Mathers III (born October 17, 1972), better known by his stage name Eminem or his alter ego Slim Shady, is an American rapper, record producer, and actor. Eminem's popularity brought his group project, D12, to mainstream recognition. As well as being a member of D12, Eminem is also one half of the Detroit hip hop duo Bad Meets Evil, with Royce da 5'9." Eminem is one of the best-selling artists in the world. He has been listed and ranked as one of the greatest artists of all time by many magazines. Including his work with D12 and Bad Meets Evil, Eminem has achieved ten number one albums on the Billboard Top 200. He has also sold more than 33 million track downloads and 39.6 million albums in the United States alone. Eminem quickly gained popularity in 1999 with his major-label debut album, The Slim Shady LP. The Slim Shady LP, The Marshall Mathers LP and his third major album, The Eminem Show, all won Grammy Awards, making Eminem the first artist to win Best Rap Album for three consecutive LPs. The Marshall Mathers LP is also considered one of Eminem's best and most successful albums. Eminem then went on hiatus after touring in 2005. He released his first album since 2004's Encore, titled Relapse, on May 15, 2009. In 2010, Eminem released his seventh studio album Recovery, which was an international success. Recovery was also named the best selling album worldwide of 2010 joining The Eminem Show, which was the best seller of 2002. Eminem won Grammy Awards for both Relapse and Recovery, giving him a total of 13 Grammys in his career. Eminem has named Masta Ace, Big Daddy Kan

The Billboard Book of Number One Hits

Internet bad boy EminemsRevenge, who many consider to be the Howard Stern and Dave Chappelle of blogging, brings those talents to literature, and "Jew Girl" is the result. This book is a post 9/11 story that will completely redefine any misconceptions you may have of NYC, as it takes you on a magical mystery tour through the looking glass and exposes the sordid underbelly of the Big Apple. THIS BOOK is not recommended for country kids NOT FAMILIAR with the hustle and buslte that IS the backbone on a NYC-like Sodomoria!!!

Biography of Eminem

Tests copyright's fundamental premise that more money will increase creative output using the US recording industry from 1962-2015.

Eminem

Offering a fresh way to look at one of the best-selling hip hop artists of the early 21st century, this book presents Eminem's

words, images, and music alongside comments from those who love and hate him, documenting why Eminem remains a cultural, spiritual, and economic icon in global popular culture. • Includes never before conducted analysis of 200 of Eminem's most popular lyrics, presented visually with tables and charts • Provides an up-to-date, combined discography, videography, and bibliography of the rapper's work

Rappers from Missouri

Arranged in sixteen musical categories, provides entries for twenty thousand releases from four thousand artists, and includes a history of each musical genre.

Under My Thumb

does eminem matter? On assignment for his first cover story for Rolling Stone, the very first national cover story on Eminem, Anthony Bozza met a young blond kid, a rapper who would soon take the country by storm. But back in 1999, Eminem was just beginning to make waves among suburban white teenagers as his first single, "My Name Is," went into heavy rotation on MTV. Who could have predicted that in a mere two years, Eminem would become the most reviled and controversial hip-hop figure ever? Or that twelve months after that, Eminem would sit firmly at the pinnacle of American celebrity, a Grammy winner many times over and the recipient of an Oscar. did eminem change or did america finally figure him out? Whatever You Say I Am attempts to answer this question and many more. Since their first meeting, Bozza has been given a level of access to Eminem that no other journalist has enjoyed. In Whatever You Say I Am, original, never-before-published text from Bozza's interviews with Eminem are combined with the insight of numerous hip-hop figures, music critics, journalists, and members of the Eminem camp to look behind the mask of this enigmatic celebrity. With an eye toward Eminem's place in American popular culture, Bozza creates a thoughtful portrait of one of the most successful artists of our time. This is so much more than a biography of a thoroughly well-documented life. It is a close-up look at a conflicted figure who has somehow spoken to the heart of America.

Hip-Hop Stars

The Dark Story of Eminem is the best-selling, ground-breaking biography of Marshall Mathers, tracing his fierce rise from the schools and factories of Detroit to global superstardom - Now updated to investigate the violent death of his best friend Proof, his debilitating drug addiction, four-year disappearance from the public view and his triumphant comeback album Recovery. In researching this phenomenal story, Nick Hasted spent much time in Detroit, tracking down friends and foes of Marshall Mathers. In racially-divided Detroit the future rapper experienced first-hand the social conflicts that would fuel his later radicalism. From the depths of being a suicidal no-hoper, he triumphed against his class and triumphed against

prejudice; despite being continually reviled, sued and criticised, Marshall Mathers forged his way to becoming a defining cultural force of the early millennium. This unflinching portrait also lays bare Eminem's relationships with his much-hated mother, his teenage soul-mate Kim Scott, his mentors Dr. Dre and The Bass Brothers, and his own protégé 50 Cent. Never before has a book delved so deep and poignantly into this troubled figure. "A serious and even handed account." - Q magazine "This is the best of a sudden flurry of biographies charting the rise of this brilliant, troubled Detroit rapper." - Daily Telegraph

101 Amazing Facts about Eminem

Chronicles the life and work of the controversial rap star and discusses the turbulent upbringing that had a big effect on his lyrics.

Not Afraid

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (music and lyrics not included). Pages: 23. Chapters: Eminem video albums, The Eminem Show, The Marshall Mathers LP, Relapse, Recovery, Encore, Curtain Call: The Hits, Anger Management Tour, The Slim Shady LP, 8 Mile, Eminem Presents: The Re-Up, Up in Smoke Tour, Infinite, The Slim Shady EP, The Singles, Straight from the Lab, All Access Europe. Excerpt: Relapse is the sixth studio album by American rapper Eminem, released May 15, 2009, on Interscope Records. It is his first album of original material since Encore (2004), following a five-year hiatus from recording due to his addiction to sleeping pills and issues with writer's block. Recording sessions for the album took place during 2007 to 2009 at several recording studios, and production was handled primarily by Dr. Dre, Mark Batson, and Eminem. Conceptually, Relapse concerns the ending of his drug rehabilitation, rapping after a fictional relapse, and the return of his Slim Shady alter-ego. One of the most anticipated album releases of 2009, Relapse debuted at number one on the US Billboard 200 chart, selling 608,000 copies in its first week. It produced three singles that attained chart success and has been certified double platinum by the Recording Industry Association of America. The album received generally mixed reviews from most music critics, who were mostly divided in their responses towards Eminem's lyrics. It earned him two Grammy Awards and has sold over two million copies in the United States. Worldwide the album has sold 4.5 million copies. Since 2005, Eminem had intended to take a break from recording his own music in order to become a hip hop producer for other rap acts, especially for the artists signed on his own label Shady Records. However, Eminem entered his hiatus after cancelling the European leg of the Anger Management Tour in the summer of 2005 du

All Music Guide to Rock

From Nelson George, supervising producer and writer of the hit Netflix series, "The Get Down, Hip Hop America is the definitive account of the society-altering collision between black youth culture and the mass media. From the Trade Paperback edition.

The Dark Story of Eminem

THE SEQUEL TO THE NEW YORK TIMES BESTSELLER WHATEVER YOU SAY I AM, CHRONICLING THE PAST TWENTY YEARS OF RAPPER EMINEM'S LIFE, BASED ON EXCLUSIVE INTERVIEWS WITH THE ARTIST, HIS FRIENDS, AND ASSOCIATES "A

passionate look at the Detroit rapper's music . . . an expert and thoughtful assessment." - Booklist In 1999, a former dishwasher from Detroit named Marshall Bruce Mathers III became the most controversial and polarizing musical artist in the world. He was an outlier, a white artist creating viable art in a black medium, telling stories with such verbal dexterity, nimble wit, and shocking honesty that his music and persona resonated universally. In short, Eminem changed the landscape of pop culture as we knew it. In 2006, at the height of his fame and one of the biggest-selling artists in music history, Eminem all but disappeared. Beset by nonstop controversy, bewildering international fame, a debilitating drug problem, and personal tragedy, he became reclusive, withdrawing to his Detroit-area compound. He struggled with weight gain and an addiction to prescription pills that nearly took his life. Over the next five years, Eminem got sober, relapsed, then finally got and stayed clean with the help of his unlikely friend and supporter, Elton John. He then triumphantly returned to a very different landscape, yet continued his streak of number one albums and multiplatinum singles. Not Afraid picks up where rock journalist Anthony Bozza's bestselling Whatever You Say I Am left off. Capturing Eminem's toughest years in his own words, as well the insights of his closest friends and creative collaborators, this book chronicles the musical, personal, and spiritual growth of one of hip-hop's most enduring and enigmatic figures.

Turn It Up

Collects lyrics from the popular rap artist's two albums and includes his commentary on the origin of each song.

Eminem

"God sent me to piss the world off," Eminem boasts on his breakthrough hit "My Name Is." A grandiose claim to be sure, but it's hard to imagine another rapper generating as much controversy and outrage as this bleach-blonde Detroit MC outlaw while still selling millions of records and becoming a hero to pop fans and hardcore hip-hop purists alike. The sharp-tongued product of crushing poverty and an unstable homelife, Eminem is much more than the goofy smartass he usually portrays himself as. Beyond the artist's inventive rhyming skills and appealingly warped lyrical persona, the multi-platinum major-label albums *The Slim Shady LP* and *The Marshall Mathers LP* present a dark, psychologically complex character whose vivid, vengeful rhymes embody a timely collision of Midwestern white trash and urban hip-hop cultures, while portraying an unpredictably violent yet absurdly hilarious world. Adopting the cartoonish yet unsettling persona of Slim Shady, Eminem spins colorfully absurd narratives involving sadistic violence while reflecting the tortured psyche of a deeply conflicted character whose real-life pain lurks beneath the surface of his outrageous alter ego. It's those contradictions that help make Eminem a uniquely compelling artist whose primal appeal transcends boundaries of race and musical genre. *Eminem: Crossing the Line*, the first biography ever written of this unique pop-culture icon, offers a fascinating peek into the strange and twisted world of Slim Shady.

Hyena

Women write about their experiences of loving music that doesn't love them back - a feminist 'guilty pleasures'.e - a kind of feminist guilty pleasures. In the majority of mainstream writing and discussions on music, women appear purely in relation to men as muses, groupies or fangirls, with our own experiences, ideas and arguments dismissed or ignored. But this hasn't stopped generations of women from loving, being moved by and critically appreciating music, even - and sometimes especially - when we feel we shouldn't. Under My Thumb: Songs that Hate Women and the Women Who Love Them is a study of misogyny in music through the eyes of women. It brings together stories from journalists, critics, musicians and fans about artists or songs we love (or used to love) despite their questionable or troubling gender politics, and looks at how these issues interact with race, class and sexuality. As much celebration as critique, this collection explores the joys, tensions, contradictions and complexities of women loving music - however that music may feel about them. Featuring: murder ballads, country, metal, hip hop, emo, indie, Phil Spector, David Bowie, Guns N' Roses, 2Pac, the Rolling Stones, Bob Dylan, AC/DC, Elvis Costello, Jarvis Cocker, Kanye West, Swans, Eminem, Jay-Z, Taylor Swift, Combichrist and many more.

Whatever You Say I Am

With a childhood that was made up of no father, being beat up by schoolmates, and dropping out of high school, no one expected much from Eminem, but in that same childhood, Eminem would find an escape from it all through hip-hop music. Not only does this hip-hop biography stress his struggles coming up, but it highlights how Eminem has become one of the most successful hip-hop stars of all-time.

This Day in Music

For nearly 25 years, Greg Kot of the Chicago Tribune has been reviewing all parts of the popular music world: from indie up-and-comers and underground hip-hop artists to arena-filling rock-and-rollers and celebrity pop superstars. *Turn It Up: A Guided Tour Through the Worlds of Pop, Rock, Rap and More* is the first-ever collection of Kot's Tribune articles, covering the years of 2000–2013. Beyond informative and entertaining features, concert recaps, and album reviews, *Turn It Up* covers major issues associated with music and the music industry since the turn of the millennium. Kot delves deeply into issues that matter regarding the essential acts of the 21st century, the business of music as a whole, and the Chicago music scene in particular. With chapters grouped by genre—pop, rock, and rap—and a catch-all final chapter containing insights on digital music, record labels, and the evolving "music biz," *Turn It Up* is an easy-to-follow guide to where the music world has come from and where it is going. Kot's deep knowledge of the subject matter and unpretentious writing will make this a fascinating read for his longtime local fans, as well as music lovers far and wide.

Aftermath Entertainment Albums (Music Guide): The Eminem Show, the Marshall Mathers LP, Relapse, Recovery, the Documentary

When Marshall Mathers, better known as Eminem, made his album debut with The Slim Shady LP in the spring of 1999, he evoked an immediate and controversial response. Although album sales went platinum virtually overnight and his popularity soared among hip-hop fans of every color and race, the establishment lost no time in condemning him as a threat to the moral fiber of society due to his violent themes and profanity-laced lyrics. To add to the controversy, his mother immediately launched a \$10 million lawsuit for slander and defamation of character, alleging his interviews and song lyrics portraying her as an abusive drug addict were untrue and had caused loss of self-esteem, humiliation, and mental distress. Such lawsuits soon became commonplace, leading Mathers to observe cynically "for every million I make, another relative sues" (Marshall Mathers, The Marshall Mathers LP).

Angry Blonde

A self-portrait by the controversial music artist shares his private thoughts on everything from his inner struggles to his relationship with his daughter, in an account complemented by drawings, hand-written lyrics, and previously unseen photographs.

The Way I Am

Eminem: Survivor, an unofficial biography by Michael Heatley, is one of the first in an exciting series of lush new books celebrating some of the most popular and influential celebrities – stars who are constantly talked about and whose every new release, life event or opinion is awaited with baited breath by legions of fans. In the Top Ten on YouTube, Facebook and Twitter, with millions of followers, Eminem holds sway over a huge online community. This is a must-have for all fans of one of music's anti-heroes, who struggled against the odds – suffering broken homes and addiction. Yet through it all – perhaps because of it all – he was determined to break through and get rich at what he does best: spitting razor-sharp rap and stirring up controversy. Of course, as well as being THE best-selling US artist of the decade, with 86.5 million album sales to his name, he is also a record producer and actor. All those in awe of the formidable Marshall Mathers need to buy "Eminem: Survivor" – the ultimate celebration of the skill and grit of one man, with inspirational words and photographs.
