Real Estate Record and Builders' Guide

The one-stop guide to buying collectible firearms, with more than two million copies sold! If you are seeking a comprehensive reference for collectible gun values, the Gun Trader's Guide is the only book you need. For more than half a century, this guide has been the standard reference for collectors, curators, dealers, shooters, and gun enthusiasts. Updated annually, it remains the definitive source for making informed decisions on used firearms purchases. Included are extensive listings for handguns, shotguns, and rifles from some of the most popular manufacturers, including Beretta, Browning, Colt, Remington, Savage, Smith & Wesson, Winchester, and many more. This thirty-seventh edition boasts dozens of new entries since last year's edition and includes a complete index and a guide on how to properly and effectively use this book in order to find the market value for your collectible modern firearm. Determine the prices for any firearm you want to sell or trade, whether its condition is in box, excellent, or good. With new introductory materials that every gun collector and potential buyer should read, this book is the ultimate guide to purchasing classic or discontinued firearms. No matter what kind of modern firearm you own or collect, the Gun Trader's Guide should remain close at hand. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

SHORTLISTED FOR THE CWA NON-FICTION DAGGER In some places, it's easier to get a gun than a glass of water. In some places, you are allowed to carry concealed firearms into schools. In some places, there are more guns than people to shoot them. There are almost one billion guns across the globe today - more than ever before. Every minute of every day, someone somewhere is shot. Gun Baby Gun is a hard-hitting and urgent investigation into the gun's lifespan, into our hugely complex relationship with firearms and their undeniable, long-reaching and often hidden impact. Along the way, award-winning journalist Iain Overton unearths some stark truths about the everyday human cost of gun crime.

The Living Age

Lincoln P. Paine's SHIPS OF THE WORLD: AN HISTORICAL HISTORICAL ENCYCLOPEDIA was honored as one of the best reference books of the year by the New York Public Library, and Library Journal described it as "clearly the most fascinating book of the year." Now, in two equally fascinating new books, Paine focuses on two of the most interesting areas of maritime history: WARSHIPS OF THE WORLD TO 1900 and SHIPS OF DISCOVERY AND EXPLORATION. WARSHIPS OF THE WORLD TO 1900 traces the history of naval warfare through the stories of more than two hundred of the most famous and important fighting ships, from the earliest triremes and Viking longships to the Mary Rose, Wasa, Bonhomme Richard, HMS Victory, USS Constitution, USS Monitor, and Mikasa. Each ship is described in a vivid short essay that captures its personality as well as its physical characteristics, construction, and history, from the drawing board to the scrap yard or museum. Paintings and photographs show the grandeur and grace of these vessels that helped shape world events. An introductory essay, maps, and a chronology offer the reader a global perspective on the course of naval history from antiquity to the present.

The Official Ohio Lands Book

"This history will consist of the volume hereby presented, Illinois in 1818, which is preliminary to the Centennial History, which will consist of five volumes "--p. xix.

Reminiscences of a Stock Operator

Brooklyn Daily Eagle Almanac

Gun Trader's Guide is the bestselling collectible firearms reference, having sold over two million copies in thirty-five editions. The guide includes prices for all types of firearms, but what if you are only interested in buying, selling, and collecting rifles? Then Gun Trader's Guide to Rifles is the book for you! Featuring all your favorite rifles from the original Gun Trader's Guide, plus hundreds more, this is the only reference you'll ever need. Veteran editor and firearms enthusiast Stephen D. Carpenteri has compiled and cataloged discontinued and collectible rifles from your favorite manufacturers, such as Anschütz, Browning, Colt, Marlin, Remington, Ruger, Savage, Weatherby, Winchester, and more. Complete with

specs and price gradients based on the condition of the rifle, collecting and selling your firearms will be easier than ever. Carpenteri also provides valuable tips on how to use the guide, as well as articles on various collectible rifles and the art of rifle trading. Also step behind the scenes to learn what dealers are looking for, what they want in your rifle, and what's required to become a dealer, which should help you when buying, trading, or selling your rifles. Whether you are a first-time rifle-owner or a longtime rifle enthusiast, Gun Trader's Guide to Rifles is an invaluable tool to read before stepping foot in that dealer's store or attending a gun show.

Gun Violence in America

Blue Book of Gun Values

Gun Trader's Guide to Rifles

The new 33rd Edition of the Blue Book of Gun Values by S.P. Fjestad has been expanded to 2,432 pages, easily making it the highest page count of any firearms book currently in print. New 2012 makes and models have been included, along with updated values on discontinued firearms and antiques. Once again, the 80-page Photo Percentage Grading System™ provides high resolution color images that are the last word to help ascertain any firearm's correct condition factor based on the percentage of original condition. Revolvers, pistols, rifles, and shotguns are also shown separately, in addition to NRA Antique Condition Factors.

Gun Trader's Guide, Thirty-Seventh Edition

The "bible" of the firearms industry for accurate value information and descriptions of rifles, pistols, and shotguns. The industry standard for over 25 years!

Adventures of Huckleberry Finn

Illinois in 1818

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the

greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

Warships of the World to 1900

In Mark Twain's classic tale of friendship and adventure, Huckleberry Finn escapes his evil, drunken father, befriends a runaway slave named Jim, and sails the Mississippi River! As Huck and Jim sail to freedom, they encounter con men and thieves and get in plenty of trouble along the way. Follow Huck's coming-of-age journey in the Calico Illustrated Classics adaptation of Twain's *The Adventures of Huckleberry Finn*. Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-8.

The Winning Investor's Guide to Making Money in Any Market

In his highly provocative first book, Scott Galloway pulls back the curtain on exactly how Amazon, Apple, Facebook, and Google built their massive empires. While the media spins tales about superior products and designs, and the power of technological innovation, Galloway exposes the truth: none of these four are first movers technologically - they've either copied, stolen, or acquired their ideas. Readers will come away with fresh, game-changing insights about what it takes to win in today's economy. Print run 125,000.

The Thirty-fifth State

Gun Trader's Guide, Thirty-Fifth Edition

Gun Trader's Guide

The Overland Guide-book

Mutual-fund superstar Peter Lynch and author John Rothchild explain the basic principles of the stock market and business in an investing guide that will enlighten and entertain anyone who is high-school age or older. Many investors, including some with substantial portfolios, have only the sketchiest idea of how the stock market works. The reason, say Lynch and Rothchild, is that the basics of investing—the fundamentals of our economic system and what they have to do with the stock market—aren't taught in school. At a time when individuals have to make important decisions about saving for college and 401(k) retirement funds, this failure to provide a basic education in investing can have tragic consequences. For those who know what to look for, investment opportunities are everywhere. The average high-school student is familiar with Nike, Reebok, McDonald's, the Gap, and the Body Shop. Nearly every teenager in America drinks Coke or Pepsi, but only a very few own shares in either company or even understand how to buy them. Every student studies American history, but few realize that our country was settled by European colonists financed by public companies in England and Holland—and the basic principles behind public companies haven't changed in more than three hundred years. In *Learn to Earn*, Lynch and Rothchild explain in a style accessible to anyone who is high-school age or older how to read a stock table in the daily newspaper, how to understand a company annual report, and why everyone should pay attention to the stock market. They explain not only how to invest, but also how to think like an investor.
