## Charlie and Algernon

This first and only in-depth directory to the life and career of Gordon MacRae pays tribute to a versatile entertainer who achieved success in six show business arenas: theater, film, nightclubs and concerts, television, radio, and records. Insights and quotes from celebrities close to MacRae appear throughout the biography section, which highlights MacRae's professional accomplishments and awards, his political and charitable involvements, and his personal struggles and triumphs. Following the biography is a separate section detailing each of MacRae's media credits, an annotated

bibliography, and a general index.

## **Poetical Works**

Really, we don't have to keep worrying about the time, Gordon. Let's just sit here together. Okay? For a little while. London is sinking, there's constant rain, and everyone is trying to escape. Gordon, an American writer, finds himself holed up in the attic room of a half-way house, awaiting forged papers and safe passage back to the States. He becomes trapped with Stella, a mysterious and seductive woman, and a teenage girl called Iris who, between them, take Gordon on an emotional journey through his past and into the present, forcing him to face the painful truth as to why he is there. David K. O'Hara's *The Upstairs Room* is a modern take on Sartre's play *Huis Clos* in which a man and two women find themselves confined together in a drawing room for eternity. First produced at the King's Head Theatre from 13 November to 8 December 2012 by Giddy Notion, *The Upstairs Room* is a compelling and well-written play.

The Broken World is the story of twelve-year-old Byrd Keane, growing up in rural New Mexico in the 1960s. Society is everywhere in crisis as his own family is torn apart by mental illness and the Vietnam War. From the last of the old outlaws to hippies in psychedelic school buses, from Hispanic rebellion to apocalyptic physicists who embrace the bomb, everyone is in conflict; and the world around him is literally on the verge of burning down. Through it all, Byrd must not only survive but also find his way toward a lasting freedom.

## **The Saturday Evening Post**

## **The Community Chorus Book**

How to make the thorns in your marriage come up roses. The big and little annoyances in your marriage are actually opportunities to deepen your love for each other. Relationship experts and award-winning authors Les and Leslie Parrott believe that your personal quirks and differences—where you squeeze the toothpaste tube, how you handle money—can actually help draw you together provided you handle them correctly. Turn your marriage's prickly issues into opportunities to love each other more as you learn how to? build intimacy while respecting personal space? tap the power of a positive marriage attitude? replace boredom with fun, irritability with patience, busyness with time together, debt with a team approach to your finances . . . and much, much more. Plus—get an inside look at the very soul of your marriage, and how connecting with God can connect you to each other in ways you never dreamed.

## **The Club-fellow**

What does it take to have a lasting relationship? Dr. Robert Gordon shows that the course of love is fairly predictable based on the personalities and histories of the lovers. Only insight and mutual concern can help change this path. He explains the psychology of romantic love from both personal and professional perspectives. Along the way, he integrates evolutionary psychology, psychoanalysis and social psychology in the context of dramatic stories of love and psychotherapy. Learn how to recognize healthy love relations from relationship killers such as narcissism, defensiveness, and hostility. I Love You Madly informs about the science of psychology, yet reads as an entertaining novel.
