Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Daily Knowledge Valuation in Organizations

One of the major challenges for modern organizations is the management of individual and collective knowledge, which is at the root of specific practices designed to optimize knowledge acquisition, maintenance and application. There are, however, still a disproportionately low number of studies focused on the structure and nature of knowledge. This book tackles the subject of daily knowledge: the knowledge related to everyday tasks. How does this knowledge present itself in the mind? How do we acquire and preserve it? To answer these questions, the authors explore a number of techniques which help to keep track of information produced in collaborative activity and extract knowledge by aggregating these traces.

My First Sewing Book

This book is only possible through the will of God. The inspirational messages given to us at times are very evident in this story and are meant for all. God can and will work through anyone whose heart is open and whose mind is still enough to hear that gentle voice speak to them. It is then that we realize how much our heavenly Father loves each one of us and wants us all to have a close relationship with Him. My name is Elisabeth, and this is my journey with the Lord. I was given this opportunity to share a part of my life with you. Alma, my sister, is truly blessed and has accompanied me through this journey. Some of the pictures and most of the inspirational messages associated with the pictures were given to Alma for us to use in this book. The pictures are all a gift from God. For this we humbly thank Him and our Blessed Mother, for allowing

us to be a part of God's plan.

In His Presence

Here are 35 brilliant projects that will help you learn how to sew. If you've never used a needle and thread before, don't worry—start with the "Sewing Techniques" section, which simply explains how to do every stitch. Then pick something to make from one of the four chapters. In the "Toys" chapter, you'll find juggling animals, sock monsters and rag dolls, while in "Fashion Fun", there are gorgeous bags, hair accessories and more. Next, discover some brilliant "Decorations"—from hanging felt stars to pretty lavender bags. Finally, "Great Gifts" is packed with ideas, such as the finger puppet cards, felt egg cosies or the sausage dog draft excluder. All the instructions and cute step-by-step artworks are easy to follow; plus, each project has a grade so that you can start with easy sewing and move onto using more advanced stitches as you get better at it.
