### **Food & Cookery Review**

Intended for use by teachers, teacher trainers, supervisors, administrators, researchers, and others concerned with reading and the bilingual learner, this bibliography contains annotations of 136 journal articles and ERIC documents pertaining to the subject. The materials cited in the bibliography were drawn from those placed in the ERIC system between January 1971 and June 1977, and are arranged into three sections according to the educational level with which they deal: (1) elementary, (2) secondary, and (3) elementary and secondary or adult education. (FL)

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

/\* 4663L-4, Tiedt, Pamela L., Multicultural Teaching: A Handbook of Activities, Information and Resources, 6e\*/ A Classic in the field of Multicultural teaching, this new edition provides activities and information designed to enable the teacher to explore the many kinds of diversity in the classroom. This book presents model lesson plans, fully developed thematic units, and a variety of instructional strategies, as well as a wealth of resources that support multicultural teaching. It examines difficult issues and problems within multicultural education to encourage reflections and discussion. It explains the basic content of multicultural education and also describes methods for carrying out the best education for all students. coverage of: language diversity, appropriate terminology, prejudice and stereotyped thinking. The material emphasizes the development of esteem, empathy, and equity in the classroom. The author provides suggestions for professional development as teachers assume an active role in promoting multiculturalism in the school and community. A strong Esteem/Empathy /Equity model provides the framework for building a successful multicultural program at any grade level. This latest edition emphasizes the currency of multicultural education and factors that influence our thinking related to local, national, and world affairs. Educators at any level interested in diversity and multicultural
