My purpose in writing my book is to inform individuals interested in becoming lawyers that they must be positively sure that they are ready to enter a very disciplined world, obtain the required educational foundation that one needs to be successful in law school, and look deep within themselves to see if they have the necessary personality to be successful in their legal studies, the proper procedure to follow upon completing their bachelor of arts (BA) degree in applying to law school, and a heads-up approach on how to properly handle the reading comprehension section of the LSAT. Therefore, because I know how difficult the LSAT actually is, I am publishing my version of the reading comprehension section of the LSAT, and I am positive that the individuals who purchase my book and take it to heart and get to the task of teaching themselves the reading comprehension section of the LSAT and study each day will have a better understanding of how to properly approach this section. REMEMBER HARD WORK AND PRACTICE IS THE KEY TO BEING SUCCESSFUL. Very truly yours, Basil R. Loucas Good morning, on April 14, 2014, the e book version of my book LSAT THE LOUCAS WAY was awarded a "Bronze Nominee Sticker" from the "4th Annual Global E Book Awards 2014" and on August 17, 2014 it was the Bronze Medal Winner of the "2014 Global E Book Awards" in the non-fiction Reference category. As I see it, LSAT THE LOUCAS WAY is a unique approach and it far exceeds anything the competition currently has to offer. As a result, it will revolutionize how an individual who wants to be an attorney should approach and complete the reading comprehension section of LSAT.
