Witchcraft, Demonology and Magic

August is an undermotivated chinchilla shifter in a dead-end job until he inherits money and opens a detective agency in

Sam's building.

Mémoires de la Société des Sciences Morales, des Lettres et des Arts de Seine-et-Oise

Gumption & Gumshoes

This work is a complete English translation of the Latin Etymologies of Isidore, Bishop of Seville (c.560–636). Isidore compiled the work between c.615 and the early 630s and it takes the form of an encyclopedia, arranged by subject matter. It contains much lore of the late classical world beginning with the Seven Liberal Arts, including Rhetoric, and touches on thousands of topics ranging from the names of God, the terminology of the Law, the technologies of fabrics, ships and agriculture to the names of cities and rivers, the theatrical arts, and cooking utensils. Isidore provides etymologies for most of the terms he explains, finding in the causes of words the underlying key to their meaning. This book offers a highly readable translation of the twenty books of the Etymologies, one of the most widely known texts for a thousand years from Isidore's time.

Nouveau dictionnaire latin-français

Gun for hire Jed Walker doesn't figure it for a difficult job-a simple smash and grab retrieval-except his new client doesn't want money or goods. He wants shy, gorgeous Redford Reed, a man who turns Jed's world upside down inside a day. He is in no way prepared to fall hard and fast for his newest assignment. Redford Reed lives his life locked in his grandmother's house, haunted by a terrible curse and watching the world pass him by until Jed shows up, sent by a man who will stop at nothing to claim Redford as his own. Teaming up with Jed is Redford's only chance at survival, but as the violence escalates, so does the tension between them. Even though they each finally have something to live for, now it's going to take all Jed's skill and every bit of courage Redford has just to stay alive.

Grand dictionnaire de la langue latine sur un nouveau plan par Guill. Freund

Mémoires de la Société des sciences morales des lettres et des arts de Seine-et-Oise [afterw. Académie de Versailles].

Jed Walker, mercenaire, ne pensait pas que ce boulot serait compliqué : il lui suffisait d'entrer, de récupérer ce que son client voulait et de repartir. Sauf que son nouveau client ne veut ni argent, ni objets de valeur. Il veut Redford Reed, un homme timide, mais superbe, qui retourne tout l'univers de Jed en une journée. Et Jed n'est pas vraiment préparé à tomber si rapidement sous le charme de l'objet de sa dernière mission ! Redford Reed a vécu toute sa vie enfermé dans la maison de sa grand-mère, hanté par une terrible malédiction, à regarder le monde avancer autour de lui. Jusqu'à ce qu'un jour, Jed débarque, envoyé par un homme qui ne s'arrêtera à rien pour que Redford lui appartienne. S'associer à Jed est sa seule chance de survivre, mais au fur et à mesure que la violence empire, la tension monte entre eux. Et même s'ils ont enfin trouvé quelque chose qui pourrait donner sens à leurs vies, maintenant il va falloir tout le talent de Jed et tout le courage de Redford pour qu'ils puissent ne serait-ce que rester en vie.

The Etymologies of Isidore of Seville

Biefve et claire explication de toute la Sainte bible selon le sens littéral

When David, an old contact and sometimes friend, hires Jed Walker to look into a series of seemingly unrelated disappearances in Cairo, Jed jumps at the chance to show his partner, Redford Reed, more of the world he's been missing. David's boyfriend, supernatural expert and resident stuffy professor Victor Rathbone, joins them in their journey to Egypt, which holds many more dangers and mysteries than Jed ever expected. Hidden natures resurface, relationships collide, and instincts are stretched to their breaking point. What seems to be a simple case turns out to be anything but. David may have called for help, but he has his own suspicions about who's behind the kidnappings—suspicions that, along with clashing personalities, make getting to the bottom of the mystery difficult. While Jed and Redford grow more intimate and trusting with each new obstacle in their path, David and Victor struggle not to lose their trust in each other in the face of their differences. As the four close in on the kidnappers, David is forced to face the one thing more dangerous than the mastermind behind the disappearances: himself.

Aurifodina universalis

Virgil, Aeneid 5

Stace, Martial, Manilius Lucilius Junior, Rutilius, Gratus Faliscus Néméssianus et Calpurnius

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current “cumulative concept of Western witchcraft” that rules out all mono-causality theories, investigating a plurality of causes.
