### **Angels Among Us**

With stories of angelic encounters all around us, Reasoning from the Scriptures Ministries president Ron Rhodes delves into the biblical truth about these heavenly beings. Some current reports are so utterly remarkable they have captured widespread attention. Curiously, however, many of these seemingly celestial visitors have little in common with the angels of the Bible. Angels are very much involved in our lives today--of that we can be certain. But when it comes to angels, how can we tell what is real and what isn't? Angels Among Us provides solid, biblically based answers to pressing questions through a fascinating--and highly inspirational--tour of God's Word. Readers will discover who angels are, what they are like, what they do and most exciting of all, the ministry they have today. This book has sold nearly 150,000 copies and now boasts an updated cover to bring its balanced message to new readers.

### **The Rational Bible: Exodus**

Biblical theology and doctrines of Jehovah's Witnesses.

### **The Beginning of Wisdom**

## Get Free Reasoning From The Scriptures With The Mormons

The study of end times often gets bogged down in minutiae that rarely affects daily life. Or we find ourselves passively waiting for God's future, Avoiding both of these traps, Essential Eschatology gets to the heart of the matter by examining how the Christian hope and practice of resurrection affects Christian mission and everyday life. Author John Phelan notes, "Eschatology is not about the end only but the beginning and middle of faith and life as well. Christianity is eschatological to its core." Raised with Christ, Jesus' followers are called to practice resurrection, which reshapes relationships with our families, our neighbors and the world at large. "All that is anticipated in the new heavens and the new earth is to be lived out in the Christian community—a community that has already died and been raised with Christ." This creates within the world a unique community hope. Essential Eschatology explores Christian hope in relation to the failure of modernism living in the midst of empire the resurrection and judgment the kingdom of God and Christian mission the return of Jesus and the millennium God's promises to Israel In Essential Eschatology professors, students and pastors will find a sure guide in a frequently misunderstood and often confusing theological landscape. With the thoroughly biblical perspective found in this book, we discover the future spilling into the present.

## Get Free Reasoning From The Scriptures With The Mormons

This St. Andrew's Expository Commentary from theologian-preacher R. C. Sproul offers application and pastoral wisdom to the story of the gospel spreading to the nations.

### **Conversations with Jehovah's Witnesses**

Biblical answers to twenty-five of today's most relevant questions.

### **The Promise of Scriptural Reasoning**

Cults and New Religions Aren't Hard to Find They're in your neighborhood . . . your workplace . . . your school . . . maybe even your family. Cults are flourishing across America. Chances are, you've encountered one, perhaps even know someone who is involved in a cult. Can you discuss knowledgeably the critical differences between Christianity and the teachings of Mormonism, Jehovah's Witnesses, Scientology, the New Age movement, Hindu-based cults, and other prominent groups and religious movements? In this essential resource, preeminent cult authority Ron Rhodes explains what cults are, why they are cause for concern, and why in the 21st century, as never before, their numbers and memberships are exploding nationally and worldwide. Drawing on his extensive experience as a cult researcher, Rhodes offers to-the-point, cutting-edge information on twelve major

## Get Free Reasoning From The Scriptures With The Mormons

cults and new religions: Mormonism Jehovah's Witnesses Mind Sciences New Age Movement Church of Scientology Hindu-based Cults Unification Church Baha'i Faith Unitarian Universalism Oneness Pentecostalism Masonic Lodge Satanism Learning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter. The Challenge of the Cults and New Religion includes Color photos Scripture Index Subject Index Glossary Bibliography And your resources don't end at the last page. You can supplement your knowledge whenever you choose by visiting the author's Web site at [www.ronrhodes.org](http://www.ronrhodes.org) for free, thorough, up-to-the-minute information on each cult discussed in the book. If you're concerned for the temporal and eternal welfare of others, The Challenge of the Cults is a must. It will help you confront the deception of false Christs and lying doctrines with the clear, well-grounded truth of biblical Christianity.

### **Reasoning from the Scriptures with Catholics**

You've heard about the tribulation, millennium, rapture, and antichrist, but you may wonder, what's all the debating about? Do most Christians agree on the big issues? And what about other topics—dispensationalism, interpretive views, timing of events...are they too complex for most folks to understand? Not at all! In this concise and easy-to-read review, respected Bible teacher Ron Rhodes identifies eight of the most important end-times discussions. Avoiding complex arguments,

## Get Free Reasoning From The Scriptures With The Mormons

he highlights the most important biblical passages, summarizes a few of the most popular interpretations, and provides succinct conclusions. He demonstrates that the Bible's end-times teaching is intended to be a blessing for every believer. As you compare and contrast the various viewpoints, you'll be able to enjoy constructive conversations with other Christians and support your own informed convictions. You'll also enrich your reading of the Scriptures and see how passages fit together in God's great plan for the ages.

### **Essential Eschatology**

This book is a crash course in effective reasoning, meant to catapult you into a world where you start to see things how they really are, not how you think they are. The focus of this book is on logical fallacies, which loosely defined, are simply errors in reasoning. With the reading of each page, you can make significant improvements in the way you reason and make decisions. Logically Fallacious is one of the most comprehensive collections of logical fallacies with all original examples and easy to understand descriptions, perfect for educators, debaters, or anyone who wants to improve his or her reasoning skills. "Expose an irrational belief, keep a person rational for a day. Expose irrational thinking, keep a person rational for a lifetime." - Bo Bennett This 2021 Edition includes dozens of more logical fallacies with many updated examples.

## **Reasoning from the Scriptures with the Mormons**

### **The 10 Most Important Things You Can Say to a Catholic**

Imagine that you could really understand the Bible that you could read, analyze, and discuss the book of Genesis not as a compositional mystery, a cultural relic, or a linguistic puzzle palace, or even as religious doctrine, but as a philosophical classic, precisely in the same way that a truth-seeking reader would study Plato or Nietzsche. Imagine that you could be led in your study by one of America's preeminent intellectuals and that he would help you to an understanding of the book that is deeper than you'd ever dreamed possible, that he would reveal line by line, verse by verse the incredible riches of this illuminating text -- one of the very few that actually deserve to be called seminal. Imagine that you could get, from Genesis, the beginning of wisdom. The Beginning of Wisdom is a hugely learned book that, like Genesis itself, falls naturally into two sections. The first shows how the universal history described in the first eleven chapters of Genesis, from creation to the tower of Babel, conveys, in the words of Leon Kass, "a coherent anthropology" -- a general teaching about human nature -- that "rivals anything produced by the great philosophers." Serving also as a mirror for the reader's self-discovery, these stories offer profound insights into the problematic character of

## Get Free Reasoning From The Scriptures With The Mormons

human reason, speech, freedom, sexual desire, the love of the beautiful, pride, shame, anger, guilt, and death. Something as seemingly innocuous as the monotonous recounting of the ten generations from Adam to Noah yields a powerful lesson in the way in which humanity encounters its own mortality. In the story of the tower of Babel are deep understandings of the ambiguous power of speech, reason, and the arts; the hazards of unity and aloneness; the meaning of the city and its quest for self-sufficiency; and man's desire for fame, immortality, and apotheosis -- and the disasters these necessarily cause. Against this background of human failure, Part Two of *The Beginning of Wisdom* explores the struggles to launch a new human way, informed by the special Abrahamic covenant with the divine, that might address the problems and avoid the disasters of humankind's natural propensities. Close, eloquent, and brilliant readings of the lives and educations of Abraham, Isaac, Jacob, and Jacob's sons reveal eternal wisdom about marriage, parenting, brotherhood, education, justice, political and moral leadership, and of course the ultimate question: How to live a good life? Connecting the two "parts" is the book's overarching philosophical and pedagogical structure: how understanding the dangers and accepting the limits of human powers can open the door to a superior way of life, not only for a solitary man of virtue but for an entire community -- a life devoted to righteousness and holiness. This extraordinary book finally shows Genesis as a coherent whole, beginning with the creation of the natural world and ending with the creation of a nation that hearkens to the awe-inspiring summons to godliness. A unique and ambitious

## Get Free Reasoning From The Scriptures With The Mormons

commentary, a remarkably readable literary exegesis and philosophical companion, *The Beginning of Wisdom* is one of the most important books in decades on perhaps the most important -- and surely the most frequently read -- book of all time.

### **Revelation**

The Jefferson Bible, or *The Life and Morals of Jesus of Nazareth* as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

### **The New Answers Book**

## Get Free Reasoning From The Scriptures With The Mormons

Bible prophecy expert Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. Chapters are arranged around the major themes with lists of events making this an extremely user-friendly chronological guide to biblical prophecy.

### **Scripture and Violence**

An unfamiliar car parks near your house, and two pleasant-looking folks approach your front door. The doorbell rings, and after exchanging pleasantries, your unexpected guests offer you some literature from the Watchtower Society. What will you say? What should you say? Should you engage your visitors in conversation at all? And if so, how? Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah's Witnesses, demonstrating helpful techniques for listening, asking questions, avoiding offense, and more. He includes the information you need to address the big issues, including the New World Translation of the Bible, the divine name, the Trinity, salvation, and the afterlife. With this practical, kindhearted, and easy-to-understand resource, you can actually enjoy discussions about your faith when Jehovah's Witnesses come to call, and you can lovingly guide them to the truth about Jesus Christ.

### **The End Times in Chronological Order**

## Get Free Reasoning From The Scriptures With The Mormons

This volume explores the surprising similarities and differences between two of the most important religious leaders of all time--Jesus and Muhammad. Born into a Muslim family in Egypt, Gabriel is a converted Christian and former professor of Islamic history at Al Azhar University in Cairo.

### **Trinitarian Theology**

Studying Prophecy Can Change Your Life Strengthen your faith and find real hope for the future in this extensive resource that provides concise answers to your most burning questions about Bible prophecy and the end times. Topics include everything from how to interpret prophecy to clarifying the perplexing specifics of the rapture, the antichrist, and the afterlife. Respected Bible scholar Ron Rhodes addresses questions many are asking, such as Is it important that we be aware of the signs of the times? Do Christians agree about the role of America in Bible prophecy? Is there biblical evidence that the church will escape the tribulation period? Will only believers enter into Christ's millennial kingdom? In what way will the heavens and earth be made "new"? Whether you're looking for quick instruction or you're eager to go deeper, this accessible Q&A-style guide will help you navigate prophetic Scripture passages and better understand matters of eternal significance.

### **Logically Fallacious**

Quick Reference Guides offer practical, biblical, and timely insights on today's most important topics with concise facts and user--friendly writing. Attractive, affordable, and applicable, these serve as ideal resources for personal and church reference. Even though many are familiar with the trick-or-treating, witches, pumpkins, and scary costumes of Halloween, few people know its true history. Biblical scholar and apologetics expert Ron Rhodes tackles the difficult questions and exposes the myths: Why is it important to know more about this topic? Should Christians avoid having anything to do with Halloween? Which activities are spiritually safe? Rhodes gives readers historical, cultural, and biblical information so they can approach Halloween with knowledge, wisdom, and understanding.

### **The Jefferson Bible**

John Ankerberg, John Weldon, and Dillon Burroughs team up to revise and update The Facts on Jehovah's Witnesses, part of the popular Facts On Series (more than 1.9 million copies of books from this series sold). Known for their extensive research and Bible knowledge, these authors offer readers the essential facts they need to evaluate and discuss today's issues regarding the Jehovah's Witnesses, a religious organization, and the Watchtower Society. The concise, easy-to-follow

## Get Free Reasoning From The Scriptures With The Mormons

information helps readers answer such questions as: What is the Watchtower Society and what power does it hold? Is the Watchtower Society's translation of the Bible accurate? Is the Society's teaching on salvation biblical? Whether the reader is merely curious or searching for specific information, The Facts on Jehovah's Witnesses will give them what they are looking for—easy-to-understand, factual, and relevant information about this group.

### **40 Days Through Revelation**

Sometimes we ask What is God's will for my life? when we should really be asking Who should I be? The Bible has an answer: Be like the very image of God. By exploring ten characteristics of who God is—holy, loving, just, good, merciful, gracious, faithful, patient, truthful, and wise—this book helps us understand who God intends for us to be. Through Christ, the perfect reflection of the image of God, we will discover how God's own attributes impact how we live, leading to freedom and purpose as we follow his will and are conformed to his image.

### **Robbers on Rock Road**

Anyone interested in sharing the gospel with Catholic friends or understanding where members of that denomination stand on important points of theology will

appreciate this thorough yet easy-to-use reference. Using the simple, step-by-step format applauded by readers in Rhodes' previous books, *Reasoning from the Scriptures with Catholics* covers many theological issues that divide Protestants and Catholics, including  $\frac{1}{4}$  purgatory and indulgences the reverence of Mary, mother of Jesus papal infallibility Catholic traditions and much more Each chapter examines a single Catholic belief or practice as taught in the Catholic Catechism and other major Catholic sources, provides biblical responses, and offers questions to help Catholics examine their church's readings. Pastors, teachers, and lay leaders will find this insightful guide a must-have tool for sharing the good news of salvation by faith alone with Catholic friends and family members.

### **What Does the Bible Really Teach?.**

Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man's land between the two, this curious outsider wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. *A Stranger in the House of God* addresses fundamental questions and struggles faced by spiritual seekers and mature believers. Like a contemporary *Pilgrim's Progress*, it traces the author's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous window into the

the Witnesses Point-by-point lists of the favorite tactics and arguments used by the Witnesses—along with effective, biblical responses to each Questions you can ask to challenge the Jehovah's Witnesses' confidence in the Watchtower Society With easy-to-understand helps, concise information, direct comparisons of beliefs, and a compassionate presentation, this resource from Ron Rhodes is ideal for personal and church libraries and for any reader who wants to confidently share the gospel.

### **Better Thinking and Reasoning**

A national bestseller! Why do so many people think the Bible, the most influential book in world history, is outdated? Why do our friends and neighbors - and sometimes we ourselves - dismiss the Bible as irrelevant, irrational, immoral, or all of these things? This explanation of the Book of Exodus, the second book of the Bible, will demonstrate that the Bible is not only powerfully relevant to today's issues, but completely consistent with rational thought. Do you think the Bible permitted the trans-Atlantic slave trade? You won't after reading this book. Do you struggle to love your parents? If you do, you need this book. Do you doubt the existence of God because belief in God is "irrational?" This book will give you reason after reason to rethink your doubts. The title of this commentary is, "The Rational Bible" because its approach is entirely reason-based. The reader is never asked to accept anything on faith alone. As Prager says, "If something I write does not make rational sense, I have not done my job." The Rational Bible is the fruit of

Insights--a short passage of Revelation and easy-to-understand notes on each verse Major Themes--brief summaries of the most important ideas Digging Deeper with Cross-References--several other passages readers can look up on relevant topics Life Lessons--practical and helpful applications to everyday life Questions for Reflection and Discussion--thought-provoking starters for group discussions or personal journaling Readers who may have been confused or intimidated by Revelation will appreciate this easy-to-understand and practical presentation of its empowering truths.

### **REASONING FROM THE SCRIPTURES**

In the public sphere, it is often assumed that acts of violence carried out by Muslims are inspired by their religious commitment and encouraged by the Qur'an. Some people express similar concerns about the scriptures and actions of Christians and Jews. Might they be right? What role do scriptural texts play in motivating and justifying violence in these three traditions? *Scripture and Violence* explores the complex relationship between scriptural texts and real-world acts of violence. A variety of issues are addressed, including the prevalent modern tendency to express more concern about other people's texts and violence than one's own, to treat interpretation and application of scriptural passages as self-evident, and to assume that the actions of religious people are directly motivated by what they read in scriptures. Contributions come from a diverse group of

## Get Free Reasoning From The Scriptures With The Mormons

scholars of Islam, Judaism, and Christianity with varying perspectives on the issues. Highlighting the complex relationship between texts and human actions, this is an essential read for students and academics studying religion and violence, Abrahamic religions, or scriptural interpretation. Scripture and Violence will also be of interest to researchers working on religion and politics, sociology and anthropology of religion, socio-political approaches to scriptural texts, and issues surrounding religion, secularity, and the public sphere. This volume could also form a basis for discussions in churches, synagogues, mosques, interfaith settings, and government agencies.

### **A History of the Bible**

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

### **The Facts on Jehovah's Witnesses**

Fact-filled, easy-to-understand, and visually appealing, this series delivers the essential knowledge you need to know to effectively witness biblical truths to

## Get Free Reasoning From The Scriptures With The Mormons

people led astray by false teachings. Noted Bible teacher Ron Rhodes highlights the key differences between specific cults and biblical Christianity by: identifying the 10 most critical problems examining the exact nature of each doctrinal error contrasting cultic teachings with the truth found in God's Word explaining the correct meanings of Bible verses cults cite out of context reviewing basic principles of Bible interpretation that ensure accurate understanding Important points, witnessings tips, digging deeper sections, and cautions that highlight the confusing arguments and tactics used by each organization make these books perfect for individual witnessing, Bible studies, youth groups, and evangelism refreshers. Discusses why the Apocrypha isn't in the canon, the true role of tradition, Catholicism's erroneous distinction between venial and mortal sins, the concept of purgatory, the controversy surrounding Jesus' mother Mary, and more.

### **Halloween: What You Need to Know**

Have the Mormons ever left you unsure of what to say? Their arguments are convincing, their teachings seem indisputable, and their stand on what they believe is firm. How can you effectively communicate to the Mormons that their gospel does not match up with the Bible? One of the best ways is to ask penetrating questions. Cult experts Ron Rhodes and Marian Bodine will help you understand the main points of Mormonism and discover where it falls short of God's truth. They then equip you to ask strategic questions that challenge the

### **A Stranger in the House of God**

#### **Religion without Violence**

In 1992, Peter Ochs and a few Christian and Muslim colleagues began to gather small groups, in and outside the classroom, to practice close and attentive reading of the sacred Scriptures of the Jewish, Muslim, and Christian traditions. The hope was that members of different religions could hear one another through the patient, respectful reading of each other's Scripture. Hearing each other, participants might enter into interreligious relationships that might point a way to the peaceful engagement of religions—especially those who, after September 11, 2001, too often found themselves at each other's throats. It was a hope for religion without violence. Nearly thirty years later, this practice of study-across-difference has seeded an international movement, now named Scriptural Reasoning. The

## Get Free Reasoning From The Scriptures With The Mormons

movement nurtures cooperative study among students, scholars, and congregants devoted to distinctly different religious and value traditions. In *Religion without Violence*, Ochs reflects on the practical and philosophic lessons he has learned from hosting hundreds of Scriptural Reasoning engagements. He introduces the “scriptural pragmatism” of Scriptural Reasoning.” He painstakingly recounts instances of successful scriptural reasoning and warns where and how it might fail. He provides guidance on how to introduce and facilitate Scriptural Reasoning in the classroom. He shows how reading out of the “hearth” of a faith can contribute to peace building across religions. And, drawing on the resources of rabbinic tradition, Augustine, and Charles Peirce, he moves beyond practice to reflect on the implications of Scriptural Reasoning for discerning what kinds of “reasoning” best address and help repair societal crises like religion-related violent conflict.

### **Reasoning from the Scriptures with the Jehovah's Witnesses**

A literary history of our most influential book of all time, by an Oxford scholar and Anglican priest In our culture, the Bible is monolithic: It is a collection of books that has been unchanged and unchallenged since the earliest days of the Christian church. The idea of the Bible as “Holy Scripture,” a non-negotiable authority straight from God, has prevailed in Western society for some time. And while it provides a firm foundation for centuries of Christian teaching, it denies the depth, variety, and richness of this fascinating text. In *A History of the Bible*, John Barton

## Get Free Reasoning From The Scriptures With The Mormons

argues that the Bible is not a prescription to a complete, fixed religious system, but rather a product of a long and intriguing process, which has inspired Judaism and Christianity, but still does not describe the whole of either religion. Barton shows how the Bible is indeed an important source of religious insight for Jews and Christians alike, yet argues that it must be read in its historical context--from its beginnings in myth and folklore to its many interpretations throughout the centuries. It is a book full of narratives, laws, proverbs, prophecies, poems, and letters, each with their own character and origin stories. Barton explains how and by whom these disparate pieces were written, how they were canonized (and which ones weren't), and how they were assembled, disseminated, and interpreted around the world--and, importantly, to what effect. Ultimately, A History of the Bible argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording--which is impossible to determine--and focus instead on the broader meanings of scripture.

### **Jehovah's Witnesses Answered Verse by Verse**

With this volume, a group of scholar-practitioners of Islam, Judaism and Christianity invite readers to share in their understanding of scriptural text study and disciplined reasoning. Grapples with questions ranging from the nature of scripture and revelation to the relevance of philosophies such as idealism, pragmatism and

## Get Free Reasoning From The Scriptures With The Mormons

phenomenology. Offers a constructive alternative to modernity, going deep into the scriptures while also drawing critically on modern philosophies and methodologies. Shows how Muslim, Jewish and Christian believers can study, reason and work together in a way that does not compromise their religious integrity and respects others' religious integrity. A timely publication, of interest to all those interested in interfaith dialogue or in the nature of scriptural study.

### **I Don't Have Enough Faith to Be an Atheist [Large Print]**

No other book answers the Jehovah's Witnesses' misinterpretation of Scripture so immediately and shows how to use the same Scripture in leading Jehovah's Witnesses to Christ.

### **Reasoning from the Scriptures with Muslims**

Anyone interested in sharing the gospel with Muslim friends or understanding the doctrines and historical basis of Islam will appreciate this addition to the popular Reasoning from the Scriptures series. Using an easy-to-follow question-and-answer format, Reasoning from the Scriptures with Muslims covers issues, including Muhammad and Jesus Christ—what are their roles? the Quran and the Bible—what kind of inspiration and authority do they have? Islam today—what different groups

## Get Free Reasoning From The Scriptures With The Mormons

exist, and how can Muslims be reached with the good news? Each chapter examines a Muslim belief and compares it with biblical Christianity. Readers will find this an invaluable tool for discussing and sharing the words and life of Jesus Christ with Muslim friends and acquaintances.

### **The 8 Great Debates of Bible Prophecy**

Twelve-year-old Crista must call on faith, prayer, and guts when she and the young girl she is tutoring run into a gang of housebreaking thieves.

### **Acts**

The heart of Christianity is trinitarian. The subject matter of Trinitarian Theology casts a long shadow over our faith. The relationship between the Father, the Son, and the Spirit is central to the salvation story. The Trinity is central to Christianity, for the vibrancy of our churches, and for the clarity of our witness in the world. In Trinitarian Theology, Bruce Ware, Malcom B. Yarnell III, Matthew Y. Emerson, and Luke Stamps discuss issues such as the eternal functional subordination of the Son, the nature of the God-human relationship, and theological methods for forming the doctrine of the Trinity. This is a discussion of great importance, offered by scholars who represent varying views held by today's Southern Baptist scholars.

## **Bible Prophecy Answer Book**

Highlights false prophecies of Jehovah's Witnesses' leaders, errors in the New World Translation Bible, their unbiblical views.
