blindspots. This life-changing book explains that regardless of where you are in life, Wholeness will take you higher. Wholeness will elevate your sense of fulfillment in life, produce healthier, more rewarding relationships, and will position you for optimum success in every endeavor. Roberts explains we can't always choose the experiences that keep us from being whole, but we can take control of our lives today and bring healing to any broken area. Key chapters include an in-depth relationship guide titled "Two Halves Don't Make a Whole." "The Cracked Mirror" shows how unprocessed experiences can negatively shape our view of self, others, and the world around us. "Ghosts of the Past" gives powerful, practical tools for avoiding the traps of the past and ensuring that we enter into the amazing future that God has planned for us. Wholeness is filled with wisdom garnered from Touré's own life—raised by a single mom, narrowly escaping the trappings of inner city life, and finding success in corporate America. His insight is further broadened by his role as founder of one of the most influential churches in the nation, with over fourteen years pastoring thousands of millennials, couples, families, and a diverse group of individuals. Wholeness will take you on a transformational journey that won't leave you the same. Concluding with a "Wholeness Test", Wholeness will help you track and maintain your progress while walking out your journey to your full potential.

The most overworked Christian vocabulary across a broad spectrum of Christian charismatic cycles is the word “anointing”. Dozens of books have been written and countless messages preached on the subject of the ‘anointing’ yet for all the attention the subject is given, it is one of the least understood gifts God has freely bequeathed upon every believer in Christ. Although the anointing is the current church’s diet

and a delicate recipe for living a naturally supernatural life, the masses are starving for the anointing of the Holy Spirit. Since it is divinely ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing, the empty husks of humanism, intellectualism and religion have failed to launch the world into greater depths of the miraculous. In this book, Apostle Frequency Revelator presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits. With considerable depth, insight, revelation and wisdom, the author has provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ.. Presiding over a global network of apostolic and prophetic visions, in the capacity of the Director of the World renowned Global School of Signs and Wonders (GSSW), the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE) and the founder of Resurrection TV (The Dead-Raising Channel, Apostle Frequency Revelator hands us the lost keys to the Throne Room of Heaven and shows us the way back to the Heavenly realm as he calls the church back to her original mandate of demonstrating the supernatural power of God. Therefore, if you are a fire-starter and God-chaser who is willing to pioneer a revolution of signs and wonders in this world, continue to plunge into the depths of revelations encapsulated in this publication.

In the Society in which we live today, we are faced with many things. The young, the old, and everyone in between have to face who they are and whose they are. Do I serve God or do I do what I want to do. We must realize that we have been sent here for a divine purpose and for God's exclusive use. The things that

we do that is ungodly; we must let go. Margery realized that she was here only for God's exclusive use and life is much sweeter when you follow the plan for your life. In the midst of your mission in life you will, as Margery did hear a cry being made, what will your last words be? Do not let your life be one of rejection, which will cause you to be in reclusion, live reckless, be full of resistance to what is good for you or show forth rebelliousness. You can build a life in spite of what you go through in life.

No matter what the enemy throws at you, remember you are a foreigner here and your citizenship is in heaven. Whenever an American traveling abroad gets into trouble, he has a right to the services of the American Embassy and the right to invoke his citizenship. With that come courtesies that the foreign government must adhere to. Since we're citizens of heaven, we have the right to take refuge in the embassy of heaven, the church, and say, LORD HAVE MERCY. That's why I can declare today that I'm not going to participate in this world's recession. I declare to you that I am opting out. Because of the revelation of God's Word to us, we are placed in a position to be immune to economic conditions. All we have to do is "trust in God," "believe in God," "have faith" in God.

Deeper Revelations of the Anointing

Worship is a priceless gift. Unfortunately for many, this gift remains often unopened and unused because of a lack of understanding. In truth, worship is not christianized entertainment, a religious ritual, or zealous demonstration. The biblical picture of worship is an intimate encounter with the infinite God that spreads into every part of your daily life. Growing up on the frontlines of the Russian mission field, Phil Renner's heart burns with a passion for sharing this amazing truth. Under Phil's leadership, Renner Worship has played a significant role in bringing a worship movement to churches and youth across Russia and neighboring countries. Whether you're on the mission field, or in the boardroom, Phil's powerful testimonies, biblical teaching, practical application, and prayers of activation will help you access a lifestyle of encounter in God's Presence. Worship Without Limits equips you to: Change atmospheres around you. Cultivate a spirit of humility that gets Heaven's attention. Understand how to use melody and key to unleash unity from Heaven. Lead others into God's presence with musical excellence and prophetic sensitivity. Take the limits off of your worship and encounter God's presence in amazing new ways!

The Friend

For almost three thousand years, people have prayed and sung the Psalms. Like those who have gone before us, when we are filled with joy, we will discover fuel in these ancient songs for even higher praises. And when we are going through the valley of deepest darkness, we will find in the Psalms light shining upon us, driving the shadows of doubt away. Prayers on Fire includes 365 prayers inspired by the book of Psalms from the heart-felt Passion Translation. Each day contains an excerpt from the Psalms and then a prayer from the heart, providing an expression of faith and worship for sincere worshipers. Open your heart as you open the pages of this book. Here you will find God as your shelter of strength. “As I’m hidden within your greatness, I discover your eternal purposes. In love and humility I bow before you, my awe-inspiring God. The way you watch over me, infuses me with confidence and courage. You are my source; I draw life from the waters of your love. Walking step by step with you brings me joy unlike I’ve ever known. Your Word illuminates my path, and wherever I go, I flourish. No matter the season, I’m blessed—established firmly in you.” (Inspired by Psalm 1:2)
