everything changed overnight. In six days a town called Confusion appeared . . . and on the seventh it could disappear, consumed by the flames of lawlessness and violence. On one side are those who understand only brute force. On the other are men who want law and order but are ready to use a noose to achieve their ends. Between them stand Matt Coburn and Dick Felton: one a hardened realist, the other an idealist trying to dig a fortune from the muddy hillside. Outnumbered and outgunned, Felton and Coburn can't afford to be outmaneuvered. For as the two unlikely allies confront corruption, betrayal, and murder in an attempt to tame a town where the discovery of gold can mean either the fortune of a lifetime or a sentence of death, they realize that any move could be their last. abandoned him. But instead of meeting a lonely death, he met Will Reilly--a gentleman, a gambler, and a worldly, self-taught scholar. For ten years they each were all the family the other had, traveling from dusty American boomtowns to the glittering cities of Belle Époque Europe--until the day Reilly's luck ran out in a roar of gunfire. But it wasn't a gambling brawl or a pack of thieves that sealed Will's fate. It was a far more complex story that Val would soon uncover--one that would bring him face-to-face with the one person he least wants to see: his mother. With the help of a beautiful, street-smart rancher and the woman who was Will Reilly's lost love, Val must close this last cruel chapter of his past before he can turn the page on an uncertain future. Louis L'Amour's Lost Treasures is a project created to release some of the author's more unconventional manuscripts from the family archives. In Louis L'Amour's Lost Treasures: Volumes 1, Beau L'Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels, and treatments that his father was never able to publish during his lifetime. L'Amour's never-before-seen first novel, No Traveller Returns, faithfully completed for this program, is a voyage into danger and violence on the high seas. These exciting publications will be followed by Louis L'Amour's Lost Treasures: Volume 2. Additionally, many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material, including outlines, plot notes, and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish.
