I had always believed in the healing power of our Lord, and viewed my life as one of service to Him via the practice of medicine. But, in retrospect, I had a deeper trust in the power of modern medicine and science than I did in Jesus Christ and His fully accomplished work on the Cross. My thinking was flawed, but, as I grew in my walk with the Lord and meditated on Scripture more fully, I began to see the superiority of faith over the limited interventions modern medical science had to offer, and that this interplay between faith and science was not mutually exclusive, but complimentary, for the spiritual aspects of our lives illuminate and empower the carnal aspects of intellect and physical senses. I began jotting notes to myself related to this interplay of faith and healing and science, and just filed them away for years. Then, in December of 2017, a baby was born to a first time mother of mine, his little body riddled with the most fulminant form of acute lymphoblastic leukemia, almost always fatal. His absolutely miraculous healing was the impetus to start putting these thoughts into writing, in the form of weekday morning emails entitled "A Christian Doctor's View of Healing, Faith, and Science". It was soon made clear to me that these writings were to take the form of a year long devotional book, comprised of short weekday messages that are intimately linked, such that they can be read through as a book. And that book was to paint a picture, and that picture was to be of a face, and the face was to be that of Jesus, for He is the source of all healing

## **The Power of the Decree**

### **Power to Heal**

The words we speak have power and can potentially create life or death. But when we make a legal proclamation that comes from God Himself, we are then operating in a power that trumps all other power. According to Isaiah 55:11, it does not return empty but accomplishes everything it is sent to do. God's Word is the final authority. If He said it, He will make it good! 31 Decrees of Blessing for Your Life will inspire you with a daily devotion for every day of the month that will turn your attention to the heart of God and His wonderful intentions for your life. Each devotion is followed by ten powerful decrees—faith-filled words of biblical truth for you to be blessed with love, fruitfulness, friends, wisdom, hope, victory, family, glory, endurance, God's presence, gladness, and more. Finally, there is a daily activation for you in response to each devotion and decree to seal God's Word in your heart and life. King explains how to · find specific texts of Scripture for your need · counter problems with God's Word · speak truth into reality · understand the difference between confessing the Word, proclaiming the Word, and decreeing the Word · and more Join countless believers who love the Word of God and honor its authority through their prayers. Accept the challenge to pray the words of Scripture boldly--in God's timing, for his will and purposes.

### **Integrating Spirituality and Religion Into Counseling**

This open access book presents fresh ethnographic work from the regions of Africa and Melanesia—where the popularity of charismatic Christianity can be linked to a revival and transformation of witchcraft. The volume demonstrates how the Holy Spirit has become an adversary to the reconfirmed presence of witches, demons, and sorcerers as manifestations of evil. We learn how this is articulated in spiritual warfare, in crusades, and in healing or witch-killing raids. The contributors highlight what happens to phenomena that people address as locally specific witchcraft or sorcery when re-molded within the universalist Pentecostal demonology, vocabulary, and confrontational methodology.
